## January 2026

Nobles,

As we begin a new year together, I want to start by saying thank you. Your support and encouragement over the years mean a great deal to me. It is truly an honor to serve as your Potentate for 2026, and I appreciate the trust you have placed in me.

As we move into 2026, my goal is simple, to strengthen our fellowship, support our Temple, and continue serving the children with pride and purpose.

I am grateful for the Divan, officers, and appointed leadership who have stepped forward to serve this year. I look forward to working alongside each of you. I am especially thankful for my Chief of Staff, Andy Rountree, whose support and steady leadership will be invaluable throughout the year. I also want to recognize Joe Cagle, Richard Covell, Billy Rozell, and Jim Tidwell, who serve as Assistant Chiefs of Staff and have already been a great help in supporting the work of the Temple. Lady Niki and I are both looking forward to the year ahead and to continuing our involvement in the many events and activities that make our Shrine family so special.

Looking ahead, February is shaping up to be an exciting month. The Potentate's Ball is scheduled for February 14th, and we look forward to celebrating together on that evening. More details will be shared as plans are finalized, but please go ahead and mark your calendars.

We are also working toward hosting the Circus in February, if all goes as planned. While we have not been able to secure a venue in Tyler, we are actively pursuing locations in the surrounding cities. At this time, we are waiting on Jordan World Circus to provide an updated schedule confirming the cities, dates, and times. As soon as that information is finalized, we will share it with the membership so everyone can help support what is always one of our most important fundraisers. Thank you again for your continued support and dedication. I encourage each Noble to stay involved, attend events when you can, and continue supporting the work that makes our Shrine so meaningful.

Yours in the Faith,  
**Randell Farley**

## Using My FezCard Viewer on iPhones (iOS 18.1.1)

In August 2024, an update was pushed to iPhone users to install the new iOS 18.0, which updated the operating system and apps installed on the iPhone. Many Nobles experienced issues where the My FezCard Viewer app would not load properly; the phone often displayed a "blank" or "white" screen instead of the usual digital membership card.

With the release of iOS 18.0.1, the issue was resolved - with a specific caveat: Now, Nobles will need to rotate their phones to "landscape orientation" for the digital membership card to load. And, with the release of iOS 18.1.1, an additional point was made, that the users should rotate their phones such that the line on the screen is at the TOP of the screen. Doing so will force-load the digital card.

If you are an iPhone user, are using the latest iOS version and are still experiencing issues, please follow the instructions below.

- 1) If you encounter a white, or "blank" screen, rotate the phone to position the line at the top of the screen.

If this does not display the digital card

- 1) Uninstall My FezCard Viewer from your phone, and reinstall it through the Apple Store (to ensure that you have the latest/most up-to-date version available)
- 2) Register using your Shrine ID (not your Member Number), your Last Name and your Temple of primary membership (not Associate).
- 3) Click "Register"
- 4) Rotate your phone, per above

Should you continue to experience problems with My FezCard Viewer, please submit a support ticket for assistance, by visiting the "Support" tab in WebFez (Create New Incident), emailing [webfezfeedback@shriners.org](mailto:webfezfeedback@shriners.org) or calling our IS Support Help Desk at (844) 674-6266.

**This app is a creation of Shriners International and will occasionally experience issues. If this solution does not work for you, please contact Tampa directly by the email listed below [webfezfeedback@shriners.org](mailto:webfezfeedback@shriners.org) or by calling their support desk at 844-674-6266. Unfortunately, the office is limited in how much help they can provide in this situation.**
