President's Message
By Tom Telford

HELLO TO ALL,

I hope that everyone had an enjoyable and safe holiday.

Thanks to Beth V. for guiding us through presentations by Ann, Beth and Tom, at the June meeting. We talked about navigating and researching topics on YouTube, as well as the use of instructional videos for maintenance and repair issues around the home.

Ann will be taking more member pictures for the "Members Only" section of the website at the August meeting. This section will be password protected and will only be completed with member permissions.

There are still openings for a tutor session at 11:00 AM on August 1st. If you are interested in a one on one learning session, please send me an email well in advance of the meeting date. Do take advantage of the Tutor program if you have any question on computer programs and /or operations.

Please be aware of the meeting and help desk items and schedules, which appear in other sections of the newsletter.

Hope to see you at the August meeting,

Tom
