## Reflection

The following is an example of a witnessing script that I often use in sharing the Gospel. It is based on the Roman Road and the Ten Commandments. If I were to share it without stopping for questions it would take less than 2 minutes. I encourage you to write down your thoughts and develop a short and to the point gospel presentation.

God has spoken to us in His Word. We call this the Bible. In it, He says he loved us so much that He sent His only Son to die for us. But you might ask, why did he have to die for us? The Bible explains by telling us that every one of us has sinned and fallen short of His glory. The word sin means that we have broken God's commands by doing things He said not to do and not doing things He said to do.

The Bible tells us about a list of ten commands. These ten things are 1) We must have no other gods but the true God. 2) We must not make any likenesses of God to worship. 3) We must not take His name in vain. 4) We must remember to keep one day a week holy to God. 5) We must honor our fathers and our mothers. 6) We must not murder another person.

7) We must not commit adultery. 8) We must not steal. 9) We must not bear false witness (lie). 10) We must not want someone else's stuff. Jesus summed it up by telling us to Love God and Love people. We are all guilty even if we break one we are under a perfectly righteous and holy God's wrath.

God loved us so much He had to deal with our sin and the only way to do that was by His perfect son, Jesus, dying in our place. So, now you know why Jesus died. We just have to admit that we are guilty, turn away from our sin, put our trust in what Jesus did for us, and surrender control of our lives to Him. Will you call out to him with your voice and trust him with your heart, today? The Bible says that whoever does this will be saved.

By His Grace and For His Glory,

Rick Dominic, DOM
