Dear Valued Supporters,

I hope this letter finds you well. I am reaching out to you today with an exciting opportunity to make a lasting impact on our community through the Trinity House at The Road to Hope. As we embark on another transformative journey to expand and enhance our organizations services throughout Northeast Ohio, we invite you to join us in supporting this important initiative by sponsoring one of our key spaces – a room that will bear your name for generations to come.

### Why Room Sponsorship Matters

The Trinity House located in the tip of Lorain, Cuyahoga and Medina Counties is designed to be a modern, secure recovery center tailored specifically for women and women with children overcoming addiction. Ensuring that we can continue to provide the highest quality of service to those who need it most. Each room in our new facility will serve a critical purpose, and we believe that sponsoring one of these spaces is a powerful way to contribute to its legacy.

Across the nation, women often have a shorter history of using certain substances than men, but typically enter substance use disorder treatment with more severe medical, behavioral, psychological, and social challenges, according to the National Institute on Drug Abuse. Importantly, women specifically with children face unique obstacles, with many avoiding altogether or dropping out of treatment because they are unable to take care of their children. Studies have found that women may also avoid seeking treatment because of fear authorities will strip children from their custody or care.

Substance use disorders can be particularly overwhelming for mothers, with the combined burdens of work, home care, childcare, and other family responsibilities, plus attending treatment frequently. Successful treatment requires unique support and services tailored to them – exactly what Trinity House aims to provide.

By sponsoring a room, you are not only helping to bring this project to life, but you are also making a statement about your commitment to our shared mission and the future of our community. Your generosity will enable us to create a space that will be used by countless individuals for many years to come.

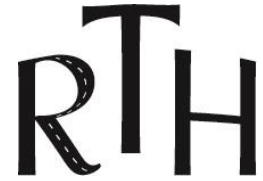

Warm regards,

Jeffrey M. Kamms  
Executive Director
