Dear Mr. DePaola,

Pursuant to my engagement, and based upon more than thirty (30) years of professional experience in the musical instrument industry, together with extensive market research, I have conducted an assessment and appraisal of the musical instruments provided to me. This appraisal reflects my independent professional judgment and consideration of prevailing market conditions.

In addition to the appraisal, I have also cleaned and prepared the instruments for presentation and sale at auction. All services were performed in accordance with industry standards and customary practices.

Should you have any questions, require clarification, or wish to discuss any aspect of the appraisal or preparation process, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Maloney', is written over the printed name and title.
