Nature's Generator GOLD
Portable (on wheels) Solar Power Backup System

The Nature's Generator has a built-in 1800W pure sine wave inverter and a 60Ah sealed lead acid battery, with three 110v AC outlets, a DC outlet & USB port on the front of the unit.

It also has a separate 100-watt solar panel, also on wheels, to charge the battery. The unit can also be plugged into and charged from WAPA. The system is modular. A second solar panel and up to 4 battery/inverter units can be piggy backed together.

Retail Price: $1,200* delivered to STT/STJ and assembled,
Pick up: Rotary East Eco Club, Red Hook, STT or Island Green ReSource Depot, STJ.
