Northridge Country

TEMPLE MEMORIAL PEDIATRIC CENTER

Since 1952, Temple Memorial Pediatric Center has been proudly addressing the therapeutic needs of children in our community. As the only non-profit, outpatient facility in the Four States area specializing in pediatric therapy, Temple is dedicated to providing occupational, physical, speech, and ABA therapy to the children who need it most.

Our incredible staff and volunteers are committed to making a lasting difference in the lives of the children and families we serve. With your support, we are able to fulfill our mission: to provide exceptional services that empower individuals with disabilities, special needs, or functional limitations to live, learn, work, and play in their communities.

We invite you to join us on February 28, 2026, as we raise vital funds for the many services provided at Temple Memorial Pediatric Center. Enclosed, you will find a list of sponsorship opportunities for your consideration. It is through the generosity of patrons like you that we are able to continue this important work, and we would be honored to partner with you for the benefit of these very special children and their families.

If you would like to explore additional sponsorship options or have any questions, please contact Gina Parish at 903-794-2705.

Please note: for advertising and printing purposes, sponsorships must be received by December 15, 2025, in order to be included in event materials.

Thank you for your commitment to helping children in our community thrive.
