TRAPPER'S TURN

WISCONSIN DELLS, WISCONSIN

You are cordially invited to participate in MTFW's Sixteenth Golf Outing at Trapper's Turn in Wisconsin Dells, Wisconsin. As in the past, there will be putting contests, and 7 flag events. The ever-popular "Take the Fifth" will also be an option.

Fees include golf and cart, lunch, flag prizes as well as the late afternoon dinner with more activities planned. The event winners will be announced, door prizes AND the raffle items will be drawn. The grand prize is again, an HDTV.

Please join us as we raise money for the Masonry Technology Foundation of Wisconsin, Inc. This has been the only major fund-raising event for the association. Monies help toward funding all activities, including the Masonry Module High School programs.

Starting with one high school, we now have a number actively involved or planning to be involved with this masonry training. The Adoption Program helps cover some but not all of the costs of materials and supplies. In addition we are researching scholarship programs for Technical College masonry students.

We all need to promote masonry as a career. Help us help the industry as a whole. Help us keep the masonry industry alive and growing. This outing is great fun for a worthy cause. Register now!

Fees: \$170/per person for golf, lunch and dinner.

Other chances (e.g. the "fifth," putting contest, raffles, etc. are per your discretionary income for a good cause.) \$60.00 of your registration fee may be deducted as a charitable donation. Contact your tax advisor for details.

\$ 20/person for dinner only if not golfing.
