

Think of a co-worker who always goes above and beyond - that one person who assisted a colleague during distance learning or stepped forward to support other members.

Our association would like to honor those individuals who have served FSUTA and our 1,000 members in one way or another in the 2020-21 school year. If you know of such a deserving person, take a minute to complete the nomination form and email it to fsutaoffice@gmail.com.

The nomination deadline is Monday, April 26. You can nominate more than one person, but you will need to complete a nomination form for each. Only members are eligible for the WHO (We Honor Ours) award.

Winners will be selected by our Executive Board and honored during the Site Representative Council meeting on Monday, May 3.
