PROFESSIONAL SUMMARY

Founder and Managing Director of a premier executive protection and security firm, with over **30 years of combined training, instruction, and operational experience** in high-risk environments.

Specializes in **intelligence-led, preventative security strategies** that minimize exposure, mitigate threats, and ensure seamless client safety. Proven track record of leading complex protection operations for **high-profile individuals, corporate executives, and international clientele**.

Widely respected across The Bahamas and regional security sector for **discretion, leadership, and operational excellence**, with the ability to deliver both strategic oversight and hands-on execution.

Experienced hard working dedicated professional with the proven ability to protect people and property. Thrive to deliver professional service in low and high-pressure situations. I possess the expert ability to assess threats and vulnerabilities in any unexpected security situation. Excellent capability of providing effective and efficient services in all areas of security.
