

# ELDER'S EQUINE IS A PROUD SUPPLIER

# MB MAD BARN™

# VISCERAL+

Health and wellness start in the gut. Mad Barn's Visceral+ is our most powerful gut supplement in a convenient pelleted format that horses love.

Visceral+ is formulated with the highest quality natural ingredients including probiotics, yeast, herbs, minerals and amino acids to support your horse's gut health and immune system.

Visceral+ was developed in conjunction with veterinarians and is clinically tested in horses to help maintain stomach and hindgut health.

Formulated to promote normal and healthy mucin production, mucosal barrier, and lining of the stomach. Supports normal function of the stomach, hindgut and immune system. Recommended for performance horses and those exposed to environmental stresses such as trailering, heavy workloads and/or environmental changes.

## DIRECTIONS FOR USE

BODY WEIGHT	SCOOPS	DOSE
<440LBS	0.5 SCOOP	40G
440LBS - 1100LBS	1 SCOOP	80G
>1100LBS	1.5 SCOOPS	120G

1 scoop = 2.8 oz = 80 grams

## CAUTION:

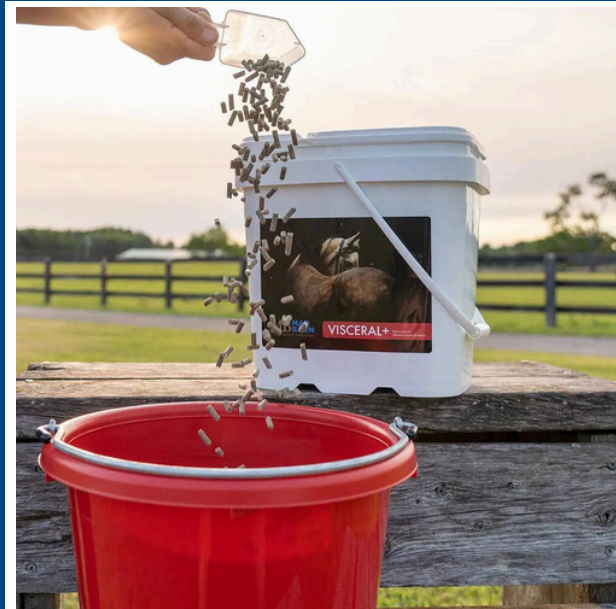

Store in a cool, dry place, protected from direct sunlight. Keep tightly closed when not in use. Do not use in animals receiving other drugs, animals with bleeding disorders or pregnant or lactating animals, unless directed by a veterinarian. This VHP may not be incorporated into a mixed feed.

Register & manufactured by: Mad Barn Inc., Petersburg, ON, Canada.

## KEY POINTS

- ▶ Stomach Health
- ▶ Overall Well- Being
- ▶ Gut Health
- ▶ Digestive Function
- ▶ Immune System
- ▶ Athletic Performance
- ▶ Energy Metabolism
- ▶ Nutrient Absorption
- ▶ Animal Comfort

## WHY USE VISCERAL+ ?

The incidence of stomach issues has been reported to exceed 95% in performance horses, and a large proportion of pleasure horses have been found to have stomach issues. Essentially any horse that undergoes stall confinement, has inconsistent access to feed, is fed grain, or is trailered is at risk of developing stomach issues.

Visceral+ works in four key ways to maintain balance in the digestive system:

- **Supports Natural Healing Processes**
  - A scientifically formulated combination of ingredients that works with your horse's natural biology to maintain a healthy intestinal lining.
- **Nutritional Building Blocks**
  - Visceral+ is a nutraceutical formula that contains natural ingredients that support your horse's microbiome and stomach tissue.
- **Comprehensive Protection**
  - The stomach represents only 8% of the total digestive system. That leaves a lot of other areas for something to go wrong. Visceral+ contains ingredients that also support the hind-gut.
- **Supports the Immune System**
  - Upwards of 70% of the immune system is driven by the gut and Visceral+ helps support immune function.

## INGREDIENTS

Calcium Carbonate	Meadowseet
Choline	Methionine
Citric Acid	Milk Thistle
Distillers Dried Grain	Oat Hulls
Docosahexaenoic Acid	Peppermint
Glutamine	Saccharomyces cerevisiae 1026
Lecithin	Slippery Elm Bark
Magnesium	Threonine
Mannon Oligosaccharides (MOS)	Yeast Extract
Marshmallow Root Extract	
MB-5 Strain Probiotic	

**Go with the natural solution that works with your horse's biology. Visceral+ works by:**

- Supporting the natural barrier that protects stomach tissue
- Supporting normal mucin production, which functions as a defensive layer within the gastrointestinal tract
- Providing probiotic and prebiotic ingredients to maintain hindgut health
- Supporting normal defences against pathogens by helping to maintain immune health
