Dear Potential Donor,

Our non profit organization is made up of several rural fire departments. Each year we host the Joey's classic Car Show, our major fundraiser, to buy materials to teach fire safety to children, adults, and seniors alike. For almost 30 years we have made marked improvement in fire prevention and accidental death in our county. We have hosted a public safety day for 20 years as well as provided training to firefighters and emts from our county and beyond. The training as well as the safety day has been able to remain free of charge to all involved. Without support of our donors, this organization would not be able to achieve our goals, that no one should suffer any tragedy that can be prevented by education and training. Our creed is simple, better service, better responses through education and training. It's through continued community support that we carry on the traditions of the fire service. Last year was a big success and with your help this year will be also.

We will be holding several raffles and give away door prizes on Sunday July 28 , 2024, in conjunction with our Annual Car Show. This is an all day event, starting around 12 noon and ending around 4:30-5:00 pm, and held at Rocky Fork Lake. We average 100 cars every year and several hundred people attended through out the day.

We have also added on Saturday July 27<sup>th</sup>, Joey's Jeep Extravaganza – Jeep Show

We are currently looking for Door Prizes, or larger items to have for a silent auction as well as trophy sponsors (\$50 each or 3 for \$130), (Best of Shows \$100 each or 2 for \$175).

This year our event is being held in conjunction with Rumble in the Hills Boat Races and new to our show and boat races is the Sassafra Music Festival providing live music all weekend.

Please feel free to contact us for any questions, by phone or email.

We appreciate you consideration.
