## 2026 CTCPA Show Levies

We're excited to share an important change for the upcoming 2026 season:

- **No more CTCPA levies** on sanctioned events starting in 2026.
- Levies already collected will be returned to the associations that paid them.

This decision puts money back where it belongs — into our clubs and our members.

**Please note:** A valid CTCPA membership is still required to compete at all sanctioned events.

Together, we're building something stronger:

**strong associations, strong members, strong future.**
