

FHLA Board Meeting

Wednesday, June 15 at 7PM
Conference Room at CVS

Members Present: Ellen Burns, Janet Swift, RoseAnne Nagle,
Krenare Osmani and Manny Silva

Not present:Liz Cope

Newsletter:

Sarah Patterson has volunteered to make the copies of the newsletter and the membership form. KO will email Sarah with the proper documents in order to have the copies made. KO will also ask for the updated address list of households that have deed rights to the lake. EB will print the address labels.

Treasurer's Report:

-JS wrote out a check in the amount of \$500 dollars as a 50% deposit for the manual lake clean up that will be completed by the company, Lake Underwater Clean Up and Salvage.

-Will have to contact a homeowner that paid \$50 for a boat sticker in order to reimburse them the money since now boat stickers are free for the first boat, and \$15 for additional boats.

Current balance: 12,108.80

Petition for Fox Hill Lake Walk Path:

-Not much traction. Hoping that with the advertisement of it on the newsletter, that more people will read and sign the petition.

Organic materials in the lake:

-As discussed at the last board meeting, Manny met with the company, Lake Underwater Clean Up and Salvage (L.U.C.A.S) to contract them for a physical cleanup of the rhizomes and the previously treated phragmites by Bennett's Farm Rd. The board agreed to hire the company. MS will send them the check, the signed contract and see if they can start on June 20th as it was discussed previously. Will have to see if the company has availability. They are contracted for 25 hours at \$40 per hour.

Summer Evenings with Music on the Lake: RN will contact a FHLA neighbor to see if he is available to play music , probably sometime in August. The idea is to have a casual community gathering at one of the beaches.

Community Events Calendar: RN will post the calendar of events on Facebook. KO will post on the website.

Meeting ended at 8:38PM.

Next meeting on Wednesday, July 20 at 7PM
