

## **FHLA Board Meeting**

Wednesday, August 17 at 7PM  
Conference Room at CVS

**Members Present:** Ellen Burns, Janet Swift(7:40pm), RoseAnne Nagle, Krenare Osmani and Manny Silva

**Also present:** Kathleen and Jonathan Cape

**Not present:**Liz Cope

**VP Vacancy**-LC shared with MS that she will be leaving the board due to new job demands. Will look to fill the VP position for the remainder of the term.

### **Dues:**

Low response. MS will send out an email encouraging the community to send in their contributions as it is a collective effort to take care of our lake. Thus far, 43 households have made contributions.

### **Treasurer's Report:**

-Member contributions as of the week of 8/15-  
\$5,450 and \$2,800 from extra contributions.

-The big expense in this report was the payment to P&L for the second treatment-\$ 3,669.08

**Current balance:** 14,328.24

### **Petition for Fox Hill Lake Walk Path:**

-41 signatures.

**29 Lakeview Drive**-EB has drafted a letter that will be sent to the director of the Health department,Ed Briggs and the board of Blight Prevention. The letter discusses the conditions of the dwelling and the

negative impact that it has on our lake. Rats are present on the property as observed by adjacent neighbors. All board members were in agreement and the letter will be sent before the BP's board meeting on August 23.

**Pond and Lake Presentation:**

-We discussed having P&L make a presentation to the community to share the plan on present and future lake treatments. It is important that community members are educated and understand the purpose of the treatments and the areas currently being treated. Have the opportunity for Q&A as well.

MS will contact them to set up a date and time.

**Summer Evenings with Music on the Lake:** RN reported that the neighbor would need a lot of equipment for set-up and it would not be feasible to acquire the equipment and the place for this event.

**Annual BBQ:** Location was discussed for this year's BBQ. Rita Beach needs a lot of maintenance in terms of the vegetation growth and the goose droppings. BBQ will be held at Bennett's Farm Beach since it has regular maintenance. RN brought up the idea to host a picnic during the late spring months as a summer kick off. Everyone was in agreement to host a spring picnic for the upcoming year.

Set-up-Volunteers

**Bennett's Farm Dam**-MS will send an email to ask for a few volunteers to help seal the hole that has been leaking on and off.

**Facebook Group Page**-RN brought up the need to change our settings so that members can share the posts on their own personal profiles. All were in agreement.

**Boat Stickers**-MS will mail out stickers to members that requested them.

**Snapping Turtles**-Katheleen and Jonathan Cape shared that since moving into 42 Waters Edge, they regularly see snapping turtles killing our other water friends such as the wood ducks. It is disturbing to witness. They will research to see what can be done to control our snapping turtle population. Relocation was discussed.

Meeting ended at 8:40PM.

Next meeting on Wednesday, September 21
