PayPal is closed and money (\$6,937.25) is in the FCB account. Insurance policy terminates May, 7, 2022. Manny is waiting to hear from another broker since we are looking into a local broker and one that is less expensive.

*See attached report.

RoseAnne's Report-Easter Egg Hunt was successful. A few new families attended. Interested to make it a yearly event. Fundraising ideas came up such as a Movie Night, Scavenger Hunt, etc... Signage around helped.

Marcie's Proposal-Waiting to hear back from Marcie's accountant. Ellen will continue to follow-up.

President's Report-

Rid Litter Day event is this Saturday, April 23 at 9:30 AM. It is an event that has been done in FHLA for many years, pre-Covid.

Manny will pick up the supplies. RoseAnne will reach out on FB page to see if someone with a truck will volunteer to sweep bags from the roads and bring them to Bennett's Farm Beach, where they will then be brought to Ridgebury Elem. School.

Dam Repair can't happen at the same time as the Earth Day event because there's so much water. It is a minor repair.

Lake Treatment-The first treatment is starting in May once the weather is a steady 65 degrees and not fluctuating.

Newsletter-Krenare will organize the newsletter template for the upcoming yearly dues. The goal is to have the newsletter and the contribution forms mailed out to residents by May 20. Will include the Venmo code for residents to be able to easily contribute.

Ellen will set-up a Venmo account linked to the FCB checking account as an online platform for members to contribute yearly dues.

Tag Sale-Saturday, May 14 @ 9:30AM-RoseAnne's yard-10 Shady Lane.
Rain Date-Sunday, May 15.

Petition for Fox Hill Lake Walk Path-Currently there are 34 signatures. Will wait to acquire more signatures before presenting it to town officials.
