Come, Lord Jesus, in Compassion

Come, Lord Jesus, in compassion,
Feed us with the bread you share.
From your bounty, grace our presence,
With your everlasting care.
We are hungry, we are needy,
Longing for the gift you give,
We are waiting, we are hoping,
For your Word that we may live.

Fish and loaves were fed the thousands
Sitting on the shore with you.
Come, Lord Jesus, in compassion,
Shower us with blessing, too.
Send us now to serve each other
With the mercy we receive;
May we go with your compassion
Hunger seeking to relieve.
