Inspire Us to Forgive

Inspired by Matthew 18:21-35

Lord, in you we desire to live,
inspire us now to forgive
actions and words we rue.

Help us to set aside our hurt,
and refrain from spreading dirt
that stains our neighbor's life.

Save us from a gossipy way
that spreads mistakes day-by-day,
causing needless strife.

Guide us steady as an arrow
down the road straight and narrow,
remaining true to you.
