## POP-KIT – Prince of Peace Keeping in Touch

The congregation council of Prince of Peace did something interesting during Lent this year. At the March council meeting, which occurred just a few days after Lent began, I asked if anyone had a Lenten discipline this year. A few people shared their plans, and then one person said, “It would be nice if we had a way to encourage each other in these things.” So, we worked out a way on the spot! I assigned each council member a partner for them to check-in with daily, with an encouraging text or email. It was done like a “round-robin” — person A checked in with person B; person B checked in with person C; and so forth, until the last person checked in with person A.

At the May council meeting we discussed how it went. Those who participated agreed that it was a positive thing, and that one of the best parts was knowing that someone else was thinking of them and praying for them. We talked about how we might share a program like this with the congregation, and now I have a plan to do just that! This is still a work in progress, and some details might change, but it will probably look something like this:

For now, I’m calling this “POP-KIT,” which stands for “**Prince of Peace Keeping in Touch.**” Everyone in the church will be invited to participate. If you’re interested, you’ll be able to sign up with your name and your preferred method of communication — either texting, email, or phone call. Then you’ll be randomly assigned a partner who chose the same method of communication.

**Your commitment will be this:** at least once a week, contact your partner with some kind of spiritual or positive thing you came across that week. It could be a Bible verse, or a prayer, or a Facebook post, or a song lyric, or anything at all. As you get to know your partner a bit better, you might try to find something that fits them well. At the same time, **someone else** will be contacting **you** once a week with a spiritual or positive thing for you. You’ll have **two** partners, one whom you’re reaching out to, and one who’s reaching out to you. (I’ll make this clear when I let you know your partners.)

When we start this (in July, maybe?), you’ll be assigned your partners for a two-month period. At the end of that period, you will have the opportunity to renew if you want to – if so, you’ll be assigned new partners at that point for the next two months. (Of course, there’s nothing to stop you from continuing to be in touch with your first partners also!) Renewing this every two months will have a few advantages – 1) it’s a chance to get to know and connect with more people; 2) it’s a chance for new people to join the rotation; 3) it’s a chance for us to make any changes that seem appropriate; and 4) it’s a graceful opportunity for you to bow out if you wish to.

I think this will be a simple yet powerful opportunity for us to both meet new people within the congregation, and to connect on a different level with people we already know. At this point, watch for more information about POP-KIT, and we’ll get it started sometime this summer. In the meantime, if you have any ideas for how to make it even better, please let me know!

In Christ,

Rev. Michael J. Scholtes

**Greetings from Pops Treasures:**

We continue to have our monthly sales with great success. We have been receiving a lot of drop-offs. Drop offs are on designated Mondays from 1 p.m. -2 p.m. and 6 p.m. -7 p.m. of gently used or new items. (Antiques and collectibles are also accepted, but no TVs or computers, stereos.) Please follow us on Facebook for up-to-date information, including drop-off dates and times if changes occur. We do not accept items dropped off during our sale week. (Next sale dates: June 13 and 14). We also would appreciate that if anyone from POP would like to donate items, to please give us a heads up. We would prefer to know when items are coming in and prefer to be here when they are as we want to ensure the exits are not blocked. If items are for the rummage sale, please bring them in September. Thank you!

**Save the Dates: Let's make art together  
this Summer at Prince of Peace!**

Bring the art materials you wish to use (paints, paper, glue, brushes, rocks, stencils, cards, etc.) We'll meet in the Fellowship Hall on Wednesdays, from 9 a.m.—Noon for 6 weeks, beginning on June 25 and ending on July 30. We can share ideas and materials with each other. Beginners are welcome. Everyone is an artist! Any questions, please contact Karen Karner or Lynn Rideout.

**Our Social Ministry Project Continues Through June:**

Valley Youth House is a shelter for young people, often, when youth arrive at the shelter their only possessions are the clothes they are wearing. The shelter makes up "welcome baskets" for when youth arrive so that they can be given a warm welcome and a basket of items they can call their own (as well as take with them when they exit the shelter. The list of items is long, 17 items, Social Ministry is asking only for the following 10 items: toothbrush, toothpaste, floss; wash cloth/soap and soap holder; chap stick; bath towel; razors (male & female); deodorant (male & female). This was a project we did a couple of years ago and it was very successful, I have no doubt it will be again with your support. Valley Youth house provides a place for youth to live and get rehabilitated. Questions, see Sherry Hock and Holly Blakeslee. If you prefer not to shop a committee member will be happy to do it for you. Most items can be found at Dollar Tree.

# Thank you

**Thank you:** As most of you know I'm going through a rough patch in my life. This last procedure was not kind to me, I was in the hospital for 4 days, and back again the following week for one day. I'm suffering from depression, along with fighting cancer. I want to thank Jackie Horn for arranging all the meals that were delivered to me, along with the people who brought them. Jackie never fails to step up when there's a need, and I had a need. I also want to thank everyone who sent cards, texts, and just being there for me, always showing me love and support. I couldn't be on this journey without your support. With many thanks, —*Mary O'Meally*

**Thank you** to everyone who donated peanut butter in memory of Charmaine Collins. There was a total of 66 jars collected and I know she would be tickled with this. Thank you to everyone who served during her celebration, to the bakers for the delicious treats and to all who attended. A very big thank you to Pastor Scholtes for the beautiful "high Mass" and the message that she probably is still smiling about. She definitely would have been amazed with the love shown her. God bless you. —*Cathy and Donna*

**A thank you letter** was received from the Portland-Upper Mt. Bethel Food Pantry (P.U.M.P.) for the peanut butter donations in memory of Charmaine Collins and for all the May food donations.

**Thank you** for all the cards and visits that I have received from Prince of Peace church members; and thank you for making the holidays even better. —*Lois Neiley*

**Thank you!** I am sending my blessings to Prince of Peace members who sent me cards, thoughts and prayers also the beautiful gifts from Mary O'Meally to help me on this journey I'm on. Your encouragement does help and my Mom keeps me informed every week. Thank you to Pastor Scholtes and Larry Rissmiller for their prayers and concern. Thanks again for your support to me and my Mom. —*Renee Hahn Palmer*

## **From Our Parish Nurse:**

Accidents happen every day. No matter how prepared we think we are, there is always room for improvement! Today, most of us increasingly depend on our cell phones, but, in an emergency, cell phones can be broken, disabled or lost. The Pennsylvania Yellow Dot program encourages citizens to record their basic medical and emergency contact information on a pamphlet to keep in their glove box in case of an emergency or accident. The program provides a sticker to affix to their car window to alert the police and/or EMS that the vehicle's owner has the Yellow Dot pamphlet in use. For details, contact Justine Saviet RN.

## **From Our Parish Nurse and the Health and Wellness Committee:**

At every Health and Wellness committee meeting, we discuss all of our ministries and activities and what we have found is that some ministries have experienced a decline in participation by the congregation for many years- and that's OK! Our community changes, and the needs of that community changes right along with it. After much discussion, we have decided to retire the Mending Meals and Transportation programs. We noticed that it's not that our members no longer needed rides to doctor's appointments, but that they were able to reach out and make these arrangements themselves. Similarly, with Mending Meals, members either declined the needs for meals, or someone filled that need without requiring the direction and guidance of the committee. In other words, the ministry outgrew the need for oversight, and these ministries are happening organically, and that is actually a beautiful thing! The Pastor, Larry, the Eucharistic ministers, and our Tele-Care volunteers will continue to offer these services. And all of you in the congregation need to know that these ministries still exist! If you see someone in need, if you hear of an ill member or someone going through a difficult time, remind them that the church can still lend a hand in offering meals or rides to the doctor. Have them contact the church office, the Pastor or myself and we will communicate with the parties necessary to get the needs met. And think about it, **you** will have naturally played a part in ministering to your neighbor. By letting go of the oversight of little used ministries, the Health and Wellness committee plans to explore new and different opportunities for the congregation. Questions? See Pastor Scholtes or Justine Saviet, RN

*Only One Mother*

Hundreds of stars in the pretty sky,  
Hundreds of shells on the shore together,  
Hundreds of birds that go singing by,  
Hundreds of lambs in the sunny weather.  
Hundreds of dewdrops to greet the dawn,  
Hundreds of bees in the purple clover,  
Hundreds of butterflies on the lawn,  
But only one mother the world wide over.

Written by: Bishop Christopher deForest of the Northeastern PA Synod

*"Do not be conformed to this age, but be transformed by the renewing of the mind, so that you may discern what is the will of God—what is good and acceptable and perfect." (Romans 12:2)*

Our gracious God is in our midst, transforming all of us, as St. Paul writes in his epistle to the Romans. In fact, Chapter 12 of that amazing letter has been our guide, not just for this upcoming Synod Assembly, but also for the past year of being church together. As the Holy Spirit does this work of transformation on us – our church, our communities, our very selves – we recognize more than ever our need to live and work together; in fact, to become more connected than ever before.

To this end, in this past year we have been guided by this statement of purpose – Connecting congregations for life-giving mission and ministry: so they can love like Jesus, heal like Jesus, and engage like Jesus – growing young, gaining strength, and going beyond death to life.

### Strategic Goals

1. Ensure and encourage that every congregation can be in partnership with other congregations of their choice, centered around mission and ministry in their communities for the sake of the gospel of Jesus Christ and grounded in our Lutheran tradition, commonly expressed in our three Values and Lanes.

2. Empower and encourage the roles of all believers in this NEPA Synod, especially lay persons and with particular focus on younger people, to live out their baptismal callings and to love and serve God together in this church and their communities.

3. Make it possible for every congregation in this synod to have a pastor, a deacon, and a licensed lay minister.

4. Strengthen and secure the opportunities for rostered ministers and licensed lay ministers to serve congregations in this synod – faithfully, healthfully, and safely.

5. Reduce the need for congregations to close.

6. Engage and encourage all people – especially those who have been marginalized, harmed, or under-represented – to live and serve and lead well in this synod.

7. Train, inform, onboard, communicate, track and evaluate better, to better achieve these goals.

8. Evaluate and revise our governing documents, structures, and policies to better achieve these goals.

9. Align the roles, responsibilities, goals and evaluation of the bishop and bishop's staff to better achieve these goals and create a more efficient and satisfactory working environment.

10. Engage and encourage individuals, congregations, and partners to deepen their support of these goals - through the sharing of their time, talents, and resources.

## Bishop's Staff – New Roles and Changes

**Lead Servant for Leader Support:** This service area includes support for rostered ministers (pastors and deacons), active and retired; licensed lay ministers (LLMs); candidates discerning calls to lay or rostered ministry; and leaders serving roles as officers and council members in congregations. **Search begins May 16.**

**Lead Servant for Congregation Support:** This service area includes support for our current congregations, especially those in transition (in search of a new rostered leader). We will also conduct a search for this Lead Servant; however, the roles will be transitioned with care over time, as we work with our current seven Associates of the Bishop and our Committee of nine Mission District Deans to maintain strong and ongoing support. **Search begins May 16.**

**Lead Servant for Growing Young and Emerging Ministries:** This service area includes support for ministries to youth, young adults and families; and the new and existing special ministry communities designated as "Synod Authorized Worshipping Communities" (SAWCs) and "Synod Authorized Outreach Communities" (SAOMs). This Lead Servant will help us take our "Growing Young" initiatives into new ministries and new directions. **Search begins May 16.**

**Lead Servant for Gaining Strength and 6261:** This service area includes support for our rostered minister development groups known as "Gaining Strength Cohorts"; and our 6261 Ministry Communities. **This Lead Servant role will be filled by our current Director for Evangelical Mission, Deacon Kat Tigerman.**

Each of these Lead Servants will be the "go-to" person on staff for each service area. They will work alongside:

**Director of Operations:** With support from administrative staff, this role will be responsible for human resources, onboarding new staff, evaluation processes, calendar, facility needs, staff meetings, and inner-staff communication. This will include the creation of an electronic planning platform and "dashboard" system for keeping track of key goals and metrics. **Eric Gombert will continue in this role.**

**Director of Communications:** Reporting to the Director of Operations, this role will continue to coordinate all our internal and external communications. **Stacey Burke is continuing in this role.**

**Administrative Coordinators and Contract Support:** Reporting to the Director of Operations, our two Administrative Coordinator positions will continue: **Laurie Christman as Leadership Support Coordinator; and Debbie Skinner as Mission Support Coordinator.** Pastor Jira Albers will continue as our part-time LLM Coordinator. We will be adding a third, part-time administrative support for 6261 and LLM. And we will continue to work with as-needed support from Pastor Doug Hill for our Gaining Strength Cohorts; and Pastor Dave DeRemer as a 6261 Coach.

In depth details are available in the "Strategic Intent" document found at [godslove.org/2025-strategic-intent](https://www.godslove.org/2025-strategic-intent).
