Grand Champion Derivative Ridden
Grand Champion Purebred Ridden

HIGH POINT

Overall Members Halter High Point -The highest scoring halter horse of the show. This is taken from any breed halter class where both Judge# 1 and #2 have judged together. Derivative horses will have their total score divided by 5 to get an average score which will be added as a sixth score to align with the Purebred scoring system. In the event of a tie the Halter judge #1 score will determine the winner. Multiple Class scores are not combined. To be eligible for this award all competitors must be a member and all derivatives must be a minimum of 12.5%

Members Youth High Point & Members Non-Pro overall High point are taken from those events titled with Youth or Non Pro – Competitors must nominate prior to close of entries. **Nominations will not be accepted after close of entry.**

A 10-point descending scale will be used for qualifying classes - 10 points for Diamond Champion, 9 points for Ruby Champion, 8 points for Emerald Champion. In classes with fewer than 10 entries the winner shall receive the point value equal to the number of horses in the class. (example 5 in class Diamond = 5 points, Ruby = 4 points, Emerald = 3 points.) Points for high point classes will be awarded as follows: High Point Award - 15 points, Runner up High Point - 12 points.

When there is a tie the rules are as follows: High Point award will be given to the competitor who has won the most championships; if the tie remains the Ruby championships will be counted, in the event that a tie still occurs the winner will be deemed by the competitor who has won the most first place awards where there is more than 5 competitors. Due to classes being held on Sunday, awarding may not be possible at the event.
