# Word of appreciation

*FB post from Michelle Jarratt* – Thankyou to the committee, the 3 judges and kind words of encouragement. The photographers and everyone who supported my boy Malaquii J-S and I over the weekend. We had an amazing weekend; one we will never forget. Thank you

*FB post from Rachel Howey* – Thank you very much to all of the Arabian Horse Connection, committee, judges and the wonderful sponsors for a great show! It was the first show ever for me and my two horses – “Murland Park Shamara” at almost 25 years old and “Syrenity” at 3.5 years old. Shamara was pretty cool, calm and collected, but Syrenity and I not so much. But we did it and took home a beautiful ribbon (thank you to the awesome people who provided these)for each of the classes that we made it in which was a lovely bonus! And best of all, we made it out alive. Congratulations to all the competitors and horses of course and thanks to everyone for being so friendly, helpful and welcoming! Lastly special thanks to those that sponsored my classes – Gazmon Arabians and Karlene Hobden.

*FB post from Cherie Mills* – Thank you for the most amazing 2 days of competition. Zali had a wonderful weekend and won lots of ribbons. The competitors were fantastic. Great big thanks to the stewards and judges who made the show so wonderful. See you all at the next one.

*FB post from Courtney Gibson* – Than you for a wonderful tow days!! Our first Arabian show in a few years and looking forward to the next one! Committee and judgers were awesome and did a great job! Definitely a must on the calendar next year!

*FB post from Samantha Forster* – While I sit here thinking how exhausted I am after my daughter competing the last two days at your show, I cannot fathom the hard work and commitment you guys have gone to making the show so good for its competitors and all for us!!! You guys rock and have made it the best weekend for so many people especially the youth ring. Thank you, thank you, thank you!!!

*FB post from Alison Weir* – Thank you to all the judges, stewards and volunteers for a fantastic show. I really enjoyed my first arab show experience.

*FB post from Sam Millard* – Thank you to the committee, judges and stewards for putting on a great show.

*FB post from Karissa Richards* – Thank you to you all for a great event and a wonderful day. To all the committee and volunteers and anyone I might have missed you are all amazing and did a fantastic job.
