Author and Artist: A pair of dreamers

Karna and I are sisters who enjoy sharing our gifts and talents with the world. Karna has been doodling since she was a child. One of her goals is to make art that makes others smile. I believe she does. You can visit a lot of her art on the web site for Glorybound books www.gloryboundpublishing.com. Karna's art provides the backdrop for every aspect of the web site. You can order some of her paintings through her web site Karnapeck.com.

I began writing the children's books at the request of Karna because she needed an excuse to watercolor for fun. I began writing other books a few years ago and went to Karna's studio to select paintings to decorate them with. After a while, she approached me with the idea that she wanted me to come up with 12 books. I had already written a few children's books, so we decided to use them as an excuse to get together a few times a year and 'play'. You might say we haven't done a very good job of growing old. It is our hope that by reading these books you will be able to step back in time and loose a few wrinkles as well. Enjoy. Sheri.

Purpose of Glorybound Books

Glorybound Kids is attached to Glorybound Publishing out of Camp Verde, Arizona. We are a business which was started by two sisters who put their talents together. Sheri Hauser is a writer and Karna Peck is an artist. Together they began publishing wonderful books with delightful messages and pictures.

The books are classical and seek to promote good moral behavior. Many of the books are translated into foreign languages and are released with music, CD's, and plays which can be performed by the kids. Karna and Sheri are trying to put themselves out of a job by encouraging the kids to do art, stories and poetry on their own. They actively promote learning and share all of the books on-line through the web site www.gloryboundpublishing.com and Amazon.com

We have other artists and authors who have joined the 'family' bringing their art and stories which we are putting into song and music making CDs as fast as we can. John Jones has been a wonderful help adding music and color to the stories.

Our distribution is to individuals through the web site, schools and book stores. Our books are like peanut butter in celery because they sneak healthy principles into the reading diet of children.
