The first Sunday of every month there is a Deacon fund offering. There is an offering plate by the door in the narthex for your donations. You can also give your donation to Betsy Rogers or any of the deacons. These funds serve and support those in our church family who are going through difficult times. Please consider making a donation.

Facility Update

Great news on the sanctuary boiler replacement!

Gundlach's has agreed to replace and install the boiler system for what insurance actually paid GCC (\$49,560 after a \$10,000 deductible), rather than charging the full \$59,560 amount quoted. This will be a \$10,000 "in kind" donation from their profit and labor. Their corporate headquarters has already approved this donation and it has been included in the contract for the boiler replacement. Between insurance and this generous donation, the new boiler will be covered in full. The pathway for these discussions with Gundlach's was definitely put in place by God beforehand.
