

*“A perfect place for a quick brunch! They have varieties of bagels, sandwiches, and wraps for vegetarians.”* **12/2022 Hetal C. Union City, CA**

*“Local family-run bagel place. They are always nice when my bf and I go every week. My go-to bacon eggwich croissant is definitely on the pricier side but so yum! the egg and croissant are fluffy and the way the cheese melts is gorgeous. I can't really blame them for the prices because of inflation. Their lattes though? Not that great. If you're a coffee lover go to an actual café, but if you're searching for well-made bagels or muffins, this place is definitely worth the try.”* **11/2022 Andrea B. San Jose, CA**

*“Seriously my favorite bagel joint! I love the tuna melt and the BLTCC! Outstanding customer service too! This place is a gem!”* **11/2022 Mateo L. Fremont, CA**

*“This place, literally is my favorite sandwich/bagel shop. I've been to bougie places in SF and SoCal, and this place always satisfies. My favorite go to is Lox on croissant with everything. I love how the vegetables are always fresh and crunchy. They have so many options and I've ordered a lot of other things and have never been dissatisfied. Thank you for always using fresh ingredients and being here for the community!”* **10/2022 Marichelle B. Union City, CA**

*"Hidden gem, this place is legit. This is about my 4th time here in about a month lol. First and foremost, clean establishment and friendly staff. Seems to be family owned by sisters. I come here majority of the time for a breakfast sandwich. Today i got the "eggwich" which consist of eggs, cheddar, choice of protein. I chose turkey today and also added a smear of cream cheese. What a great combo. Sandwich comes out nice and warm, with a toast crunch. They also have a variety of drinks which vary from coffee, smoothies, boba, fresh pressed juices and bottled drinks. If you live in this area, it's a must try. Not only do they do breakfast, but offer a wide variety of lunch sandwiches and also cater."* **1/2022 Roneil S. Newark, CA**

*"This place is one of my favorite PLACES in the Bay Area. They are friendly and work hard to make sure you enjoy each meal. I work near by and when I walk in I am always welcome by smiles and greetings. During the pandemic they did everything they could to keep us safe and still enjoy their amazing bagels (jalapeño cheddar is my fav) fresh coffee and fresh fruits for snacks! Thank you all for making my morning lovely every time I walk in!! I appreciate each of you!"*
