More helpers

Hello everyone, our apologies for the radio silence since February... there just hasn't been much to report. However we are hosting a public information session on navigating the My Aged Care system (details below), and we have drafted some fresh faces in to help.

This means our current taskforce includes Elizabeth Rankin, Russell Austerberry, Andrew Syme, Roxanne Algeo, Julie Vegter, Natell Webb and Paul Tuxworth. This should give us more options to spread the workload and cut through tricky problems like landing a lease to allow us to build facilities on island. 🙌

Public meeting

Mark the date! We're holding a public meeting on **Thursday 6th June from 2pm at the Rec Club** on navigating the My Aged Care system. This will be a great overview of options and a chance to meet and ask questions of several different providers.
