PLACES TO GO

Google Search Terms: Tiny House, Tiny House Communities

There's no place like home ... unless they won't let you call it home. For folks in Tiny Homes on Wheels, this is a moving (pun intended) landscape. If you don't own land or your place isn't where you want it, check Google frequently as things change quickly in the THoW world. We'll try to help with spots that seem promising. If you find a place that we haven't seen, let us know and we'll add it to the list. Thanks!
