

# ThinHaus® REWARDS

Drop Us A Line ... Pick Up A Dime!

ALLSteel®  ThinHaus®

No way around it ... buying a house, even a Tiny House on Wheels is an expensive thing to do. And, moving is a big deal, too. Sure, it's less of a big deal if your house already has wheels, but let's not kid ourselves, moving is a big deal and you may not be in the mind frame to do it right now. But, you probably know someone who is making a move. You might also know someone who is seriously thinking about going "tiny."

What if you became a "matchmaker" and put your tiny home friend in touch with ThinHaus and they decided to go with us? Well, the answer is ... you'll get a reward!

Think of it as a "finders fee." ThinHaus sets aside part of every sale for our rewards program. This share is then divided up amongst all the folks who helped make it happen with a minimum payment of \$250USD.

Why can't that be you? If you know someone thinking about living a tiny life, let us know. We'll introduce ourselves and keep your info on file. If they ever buy a ThinHaus, you just might find a nice check in your mailbox courtesy of ThinHaus and your friend. Take them to dinner, maybe, but accept it with our thanks.
