

**WMA-SISTERS IN FAITH**

# Ladies Fancy Luncheon

**JUNE 14, 2026**

The Sisters in Faith recently gathered for a delightful luncheon at La Madeleine, where we dressed in our finest hats and dresses for a special time of fellowship. As we shared delicious food, laughter, and meaningful conversations, we celebrated the unique women God created us to be. It was a joyful afternoon filled with friendship, encouragement, and gratitude for the blessings of sisterhood in Christ.
