Serenity Hill Kennel
Rates and Policy
2027

Our Family owned and operated kennel business was established in 1965.
With our Dad's support, and our family's love of all animals, our Mom was able to work a career that encompassed her passion in life, "to love and care for animals".

We pride ourselves on providing customers with excellent care for your pet.

Each dog has their own private dog house with a door and kennel run.
