Holiday Happenings!

November 2019

What's In Store!

Greetings!

Goodness gracious! Where has 2019 gone?

Thanksgiving is next week, all the big box stores have already exploded in red, gold and green, and we're gearing up for our biggest holiday season ever!

Get out your phone calendars & paper planners because we have A LOT in store (heh, heh, get it?) for you!

Now let's take a deep breath and get to celebrating!

XXOO,
Jhoanna
Head Booknerd & Planner Addict

Remember when we started this journey in January 2018? Wow, look at that hair! So much has happened, and we are so, so grateful to you for coming along for the ride!

P.S.: Did you know we were **in the news** recently?

Give the Gift of Stress-Free
Commuting with Libro.fm
Audiobooks!

Does someone special in your life
have a stressful commute?
Wishing you had more time to
read? Love chortling along to a
great book?

Then give the gift of audiobooks
this year! Libro.fm, our
audiobooks partner, offers an
amazing selection of books to
choose from, at the same prices
as the other guys, and they help
support local book culture.

Our Audiobook Pick for
November is **The Witches Are
Coming** by Lindy West.
Hilarious, thought-provoking and
so very "of the moment," West's
new book is cultural criticism that
you'll actually want to read.
