Editors' Comments of 2022

By: Troy Walling

As the year of 2022 draws to a close, we look back at an exciting year for our Piney Wood Model A club.

In the beginning, we were still feeling the aftermath of the Pandemic from Covid 19. We as a group wanted to get out more and enjoy our friends and Model A cars.

Although we had several get-out-of-the-house tours in 2021 to various state parks, we still yearned to go back to our normal meetings and tours.

In January, we traveled to the Edge General store.

A highlight of the year was the Sweetheart tour to Bryan. in February.

We even saw some snowflakes

Next in spring, was the Poor Boy Tour in Hallettsville, where the bluebonnets were showing off all their beautiful colors

During the month of June, was the MAFCA Convention along with the Texas Tour, Here all the great features of our clubs shined in all their glory.

Friends reuniting, Era Fashions being judged, beautiful cars being shown and evaluated.

Great Drives and events.

Our people and cars go from cold and rainy in February to blistering hot in June.

Sadly, in April, we lost one of our fellow members of the Club.

As the year continued, we had members of our club share their passion by driving many miles and visiting other clubs throughout the year.

Thanks to the Bullards, the Hitchcocks Fred Schiefer, and others

We did the Gulf Coast Tour in October and the Tomball Holiday Parade in November. We closed out the year with another great Christmas Dinner

Several of our Piney Wood members had their cars featured on MAFCA's A of the day.

One of the outstanding features of our club is the number of volunteers that not only participate in official club activities but also contribute to others and help them with various activities related to Model A cars. We should recognize some of the following people as David Teale, Frank DeLuccia, Ron Cherry, Bob Hitchcock, Chris Fredonia, Fred Schiefer, Bill Hoekstra, Robert Bullard, Jim Blaszcak and countless others within the club.

A special thank you to all the ladies in the club because every single one of you deserves thanks for keeping our club active in so many ways we cannot count.

Robert Bullard who was on the national board of MAFCA was elected President Of the Board for the year 2023. This carries on the tradition of our Piney Wood A's being well-represented nationally

A sign of a truly great club is adding new members and retaining older members. We gained several new members during the year and still retained some from the '70s Lifelong friendships were formed and carried out to this day. We miss seeing those who are no longer active as they were in the past.

As the year 2023 begins, we want to thank all the people who have worked tirelessly for many hours. We will start the new year with new officers who will carry on the great traditions of this club.

We welcome and encourage all the new members to bring their new energy and creative ideas to the club. It is people like you that have made this club a place that you enjoy all year long.

Successful Model 'A' clubs have one common ingredient. They have members that will plan events and volunteer to assist in running the organization.

It's a necessary ingredient.

A message from Robert Bullard

I want to send out a thank you to all for the congratulatory postings/emails on my recent elections to be MAFCA'S President for 2023.
I am excited and look forward to my new role on the Board
I appreciate everyone's' vote that got me reelected to the Board for 2023-2024
Without your support, this would not be happening. If my research is correct I am the fourth PWA member to serve on the Board. (Ray Barth, Jim Cannon, and Donna Lewis)
And the second to serve as President. (Donna Lewis)
I think this speaks volumes about the quality of the members in our Chapter.
We are a small Chapter with a big influence. I look forward to another great year for PWA as we continue to build a reputation as a friendly club that loves to drive our Models A's. Here's to a great 2023

2022 National Awards Banquet
Golden, Colorado
December 5-8, 2022

I never thought going to a MAFCA National Awards Banquet would be fun, but I was wrong! First, to call the four-day event an awards banquet is quite misleading. The Model A Ford Club of Colorado hosted a great event in Golden, Colorado December 5-8, 2022. This was our second time attending the “banquet” and the host club has packed quite a bit of fun into the event each time. You were able to visit with old friends, make some new ones, attend seminars, visit local attractions, and honor some talented and hardworking Model A enthusiasts. The MAFCA board had a full day of meetings Tuesday as the current board closed out the 2022 year, the new board met to plan the next year and decide which office each board member would hold in 2023. The Era Fashion Committee also had its first face-to-face meeting in several years.

There were things to do on your own as well as bus tours offered. A Welcome Party featuring desserts was held Monday evening with a Cowboy Poet as entertainment. Bus Tours included Clive Cussler’s Auto Museum, The Colorado Railroad Museum where they had arranged for our group to have a Depression Era Quilt presentation and a trip to Lookout Mountain to see the gravesite of Buffalo Bill, and a wonderful museum dedicated to his life. Our hotel was downtown and there were plenty of restaurants and shops within walking distance. Perry & Tammie Jones even took a tour of the Denver Mint.

Thursday evening was the Awards Banquet where the new MAFCA Board of Directors were introduced and their positions for 2023 were announced. Awards were presented (after all it is called the National Awards Banquet) and it turned out to be pretty nice to participate in honoring those who’d made a significant contribution to our hobby.

The MAFCA Board of Directions and their positions for 2023 are:

President – **Robert Bullard**
Vice President – **Ed Tolman**
Secretary – **Kay Lee**
Treasurer – **Melanie Whittington**
Advertising – **Gary Price**
Chapter Coordinator – **Will Langford**
Marketing & Membership – **Jay McCord**
Publications – **Dave Gill**
Technical – **Chet Wojcik, Jr.**

2022 MAFCA National Awards Banquet By Perry Jones and Elaine Bullard

This year's National Awards Banquet was held in Golden Colorado from December 5th thru December 8th and was hosted by the Model A Ford Club of Colorado. On the first day of the event, I was involved in an all-day meeting with the Era Fashion Committee (EFC) which allowed Tammie to spend the day shopping, reading, and some general troubleshooting.

Midafternoon Tammie made her way to the hospitality room for some socializing, where she met with Elaine Bullard. Elaine was introducing Tammie to some folks and was mentioning that Tammie is very much into era fashion. Reyanne Freeman said, "Fashion!", left, and came back with this original dress and gloves wrapped in tissue saying someone wanted her to pass it on! As you can imagine, Tammie was excited to try it on and sure enough, it fit perfectly. So literally just hours before the Welcome Reception, Tammie had a new ensemble to show.

Gifted by Reyanne

On day 2 we attended a Fashion Seminar “Window Shopping – Era Fashion Display Judging” presented by EFC members Diann Eason and Sherry Winkinhofer.

EFC Member Diann Eason
The purpose of the seminar was to introduce and explain the new Fashion Display Judging category.

After the presentation, attendees broke out into three groups and each group constructed their own display from items that were provided. Other seminars included: Transmission Diagnostics by Ron Rickard and Picture-Perfect Model A Photography by Andy Sheer, Restorer Editor.

On day three we, along with Bullard's, attended the Rocky Mountain Quilt Museum Depression Era Quilt Show

Tammie and Elaine enjoyed the presentation, and I walked around the Train Museum. Below are a couple of very excited quilt enthusiasts, current MAFCA President, Jay McCord, and future MAFCA President Robert Bullard.

On our last day, Tammie and I struck out on our own and toured the Denver Mint. Although the tour is free, we had to request to take the tour months in advance (thanks Marshall for the heads up). It wasn't until two weeks before we were to leave for Colorado did we receive confirmation that the date and time we requested had been granted, Woo-Hoo! Besides the Denver Mint, the US has 5 other Mints located at Fort Knox, Philadelphia, San Francisco, Washington, DC, and West Point. Only Philadelphia, Denver, and San Francisco produce coins, the other locations store precious metals.

Alas, it was time for the Awards Banquet. Of course, we had to dress for the occasion but surprisingly so did a lot of folks. We had a wonderful dinner but you know how it is, whatever table you are seated at, will be the last one called. Various awards were presented and then it was time to introduce Robert Bullard as the MAFCA President for 2023, the introduction of the newly elected board members, and then the induction of Robert as President. We then said our goodbyes to our old and new friends. The 2023 National Awards Banquet will be held in Santa Monica California.

PWA Mileage Report – 2022 Final Report

Wow! Did we ever drive this year! We had 20 members report their 2022 mileage. Total miles reported for 2022 was 50,824 compared to 35,453 in 2021, over 10,000 additional miles!! Fantastic!

As y'all know we threw out a challenge to drive 800 miles in 2022 and 20 of us met that challenge and will be receiving these cool patches. Robert Bullard set the pace at 13,050 miles driven in 2022. Not only did he exceed 10,000 miles in 2022, but he has also driven over 50,000 miles for the decade (2013-2022)! Fred Schiefer and Bob Hitchcock both exceeded 5,000 miles for the year! Congrats to these three! The three will receive some nice decals from MAFCA for their accomplishments.

A new award for the 800-mile challenge is being developed for 2023. If you are interested in participating, please jot down your starting mileage for 2023 and send it to me so we can track our mileage for the year! Further information about the challenge and the award will be announced soon.

I encourage everyone to jot down your starting mileage for 2023 and send it to me so we can see what our chapter's total mileage is for the year. Whether or not you make it to 800 miles for the year, we sure would like to know how far you did make it!

Sadly we lost in April one of our leaders in the Piney Wood Community George along with his wife Dolores participated in so many Piney Wood events After he could no longer drive, he continued his passion for making Model A cars and trains. In recent years, he made and donated over 1200 wooden toys to the Houston Down Syndrome Association And the Faulk Foundation, as well as a number of other organizations One of his Model A cars is proudly displayed at the Model A Gilmore Museum In Hickory Corners, Michigan. His energy, enthusiasm, and smiles are deeply missed.

AFTER 45 YEARS LETS LOOK BACK AT SOME PWA CLUB HISTORY

The Following Article, By Gwyn Machacek,
Entitled "CRANKED UP IN 1977",
Was Published In Our
September 1995 & July 2012 Newsletter
By Paul Lewis:

"For several years there was talk between Model A'ers about trying to form a Model A Club North of Houston and in Montgomery County. Four people said, "Let's try". Notices were posted everywhere in the Spring, Woodlands, and Conroe area telling of the first gathering to be held August 9, 1977 at the Gulf State Auditorium in Conroe. Those four people were Keith Jenkins, Buddy Moore, Larry, and Gwyn Machacek.

Eight families attended the gathering and they all said, "Let's give this club a try". Officers were selected and then one of the big topics of discussion was what can we call ourselves. Suggestions such as; Conroe A's, Montgomery County Motometers, Piney Wood A's, Big Thicket A's and Rambling A's were suggested. It was suggested that a name would be picked at the September meeting. Everyone then browsed through the display of literature on the Model A that Keith Jenkins and Larry Machacek had set up.

At the second meeting the name Piney Wood Model A Ford Club (Piney Wood A's, for short) was chosen and a Newsletter's name of "The Ford Squeaks" was selected. Moreover, the club grew by 4 new members.

By the end of 1977, the newly formed club had 16 families. They were Bryant Baugus, Donald & Cindy Chrisner, John & Judy Davidson, Monte Fine, Jerry Fisher, Thomas Gilbert, Dick Hand, Keith & Marlene Jenkins, Benny Klekar, Tom & Joan Lowery, Larry & Gwyn Machacek, Donald Mog, Buddy & Sandy Moore, Guy & Betty Nightingate, Harold & Carolyn Smith, and Thomas Wilkerson.

The following year (1978) saw the club becoming a chapter of the Model A Ford Club of America (MAFCA). Years later, in 1983, the club became a region in the Model A Restorers Club (MARC). **"THE REST IS HISTORY."**

At our 35th Anniversary luncheon on July 14, 2012, we all receive a souvenir printout of all the Piney Wood A's meeting minutes for 1977. The club today has far surpassed any vision our founding fathers might have had 35 years ago.

We all should be proud of that as we tack on the future years to come and, be very thankful for that meeting held on August 9, 1977, when **"Let's Give This Club A Try"** received enough "Yes" votes.

The International Order of the Rubber Chicken

By: Dan Kundts, Chairman of the Board

the International Order of the Rubber Chicken -Rules, Regulations and Other Silly Stuff-

At a meeting of the International Order of the Rubber Chicken Society (IORCS), the following rules and silly things have been agreed to and enacted upon. The infamous Rubber Chicken is to be fun and full of frivolity. The purpose of these rules is to provide consistency and fairness for those persons desiring (or not) to acquire the scandalous Rubber Chicken.

Rule #1

If your car causes an unscheduled stop while on tour- **YOU LOSE THE CHICKEN!**

Rule #2

If, while on tour, you delay the group from leaving on time (excepting for bringing donuts & coffee)- **YOU LOSE THE CHICKEN!**

Rule #3

If, after meeting with the group, you have a trailer (or modern car) problem, causing the others to stop alongside the road or be delayed- **YOU LOSE THE CHICKEN!** (aka: the Fred Rule)

Rule #4

If during any tour, you call another tour member to "help, aid, assist, tow, repair or suggest what 'might be the problem'", which causes him/her to stop whatever they are doing - **YOU LOSE THE CHICKEN!** (Fred Rule #2)

Rule #5 Passing the Chicken On. Procedures on how to give the chicken away

Rule #5-a

To pass the chicken on to another, the current chicken holder must be on said tour.

Rule #5-b. While broken-down on the side of the road, it is NOT advisable to hand over, throw to or put the chicken inside the broken-down car or its owner or driver. Nor is it advisable to stand alongside any broken-down car taunting the car's owner with the chicken. It also not advisable to have a photo with you standing next to the broken vehicle giving a thumbs-up jester (Dorothy Rule). Injury for violating these Rules is at the current chicken holder's own risk.

Rule #5-c. It is appropriate to pass the chicken at any meal once faces have turned from red and steam is no longer venting from ears. -Or- At any chapter meeting. -Or- If the new recipient requests it (while on the side of the road).

Rule #6

All chapters should name their chicken. It is most appropriate to name the chicken after a member so deserving because of the regularity or quantity of times he/she has had the honorable chicken bestowed up him/her.

Rule #7

Out of respect, the Rubber Chicken shall be honorably retired once its head or both legs has fallen off.

Rule #8

Each chapter should appoint a Colonel Chicken whose job shall be to determine all disputed matters. His/her word is final and not open to debate.

Rule #9

Life Time Achievement Award. The Rubber Chicken shall be permanently given to he/she who run their Model A out of gas while on tour (known as the Pruett Rule of "Don't worry, I have plenty of gas". This is not debatable!
Note: an appropriate rubber chicken Mardi-gras necklace may be given in lieu of the original rubber chicken.
