Any person sincerely interested in the  
Model A Ford automobile and the  
purpose of this club shall be eligible  
for membership as an active member.

# From the President's Desk

By David Teale

Dear Model A Friends,

This year's Ice Cream Social was another big success! I believe we had over 50 people at the event. Several people drove their Model As even though the weather was rather hot. Way to go! A big thank you to Jim and Illona Blaszcak for all of the food and supplies. A special thanks to Dan Kundts and Lakewood Church for donating the grills for the cookout. Our cooks this year were Dan Kundts and Robert Bullard. I think they did a great job. Thanks, guys!

The winner of the Photo Contest was Dan Kundts. He was awarded a framed picture of his car at the Ice Cream Social. Way to show your patriotism! Thanks goes to Susan Cherry for organizing the event and our club judges for the tough decision. All of the cars looked awesome!

I want to thank everyone who stepped up and volunteered to help with the planning of the 2023 Texas Tour in Huntsville. We have had several people come forward, but we need more people. A special thanks goes to Troy Walling for taking the lead to organize the teams. Please reach out to Troy or myself if you would like to help. I know a lot of people have helped in the past. We are looking for your expertise and if your new to the club, we need your new ideas too.

Our craft bazaar date is Saturday October 8<sup>th</sup> and will be hosted offsite at Jim and Kathy Hartzog's house. Please get with Elaine Bullard if you are planning to bring an item or craft. I can't wait to see what everyone has made.

Remember Model A Day is Saturday September 17<sup>th</sup> this year. Ron Cherry will select one of many of our September events as the qualifier to get this year's patch. Stay tuned and don't miss out.

Let's hit the road!

A handwritten signature in black ink that reads "David".

# PWA Meeting Minutes – August 13, 2022

## Piney Wood Model A Club August 13, 2022 Minutes Spring Creek Forest Clubhouse

The meeting was held in conjunction with the annual Ice Cream Social.

President David Teale called the meeting to order at 11:20. He thanked everyone for coming.

Mitzi Shaddix led the group in prayer and David led The Pledge of Allegiance.

David welcomed Delores Ross to the gathering. He thanked Dan Kundts for providing the grills and Jim and Illona Blaszcak for getting the food and supplies.

David asked for a motion to accept the July minutes. Marilyn Hitchcock made the motion and Marion Hertzbach seconded the motion. The motion passed.

David read the financial report. Chris Fredona made a motion to accept the report and Leona Campbell seconded the motion. The motion passed.

We have some new members, but none were present at the gathering. Birthdays and anniversaries were read.

Vice President Ron Cherry talked about upcoming events.

- September 3 is breakfast at Magnolia Diner.
- September 4 is a picnic at St Mary's Catholic Church in High Hill. This is one of the Painted Churches. Lunch is being sold for \$12 and they've invited us to participate. We can have lunch and maybe drive over the Piano Bridge.
- September 13 is a regular club meeting at Valley Ranch BBQ.
- September 23 is a Friday tour to the Lanier Theological Library in Tomball. Ron is waiting for confirmation that we can go.
- September 24 is the Gulf Coast Region, AACA, Hot Dog Social at Spring Creek Park in Tomball. Several car clubs including PWA have been invited to attend. Last year was a lot of fun.

- September 10, Ron has an overdrive that he is going to install in his car. Bill Hoekstra has offered the use of the shop at his house. If you want to watch it, come to Bill's house on the 10<sup>th</sup>.

Red, White and Blue Photo Contest – Rich Haut had his car decorated and his car was used as a challenge for the previously announced photo contest. Susan Cherry thanked Kim Teale and Kathy Hartzog for serving as judges for the contest. Susan then announced that Dan Kundts was the winner. She presented Dan with a framed photo of his car.

Susan said that the second Saturday in December has been secured for the annual Christmas Party at Walden Yacht Club although she's not able to sign a contract due to inflation. Susan is working on a location for the Sweetheart Tour.

Paul Gross asked Ron about the Kleb Hummingbird Festival, but Ron said he hasn't heard anything. Illona Blaszcak thought she'd received an email with information. It should be in September so stay tuned!

Elaine Bullard thanked all of the club members that attended the MAFCA Nation convention in Kerrville in June. Piney Wood Model A Club was responsible for the Hospitality Room and the convention gave our club a check as a thank you for working. Hopefully, the money can be used to offset the cost of the Christmas Party.

Elaine also talked about the craft Bazaar which will be held on October 8 after the monthly breakfast. This year it will be held at Jim and Kathy Hartzog's home. If you're interested in providing something to be sold, please let Elaine know. All proceeds will be donated to the club. If you bring something that doesn't sell, you take it back home with you. If you want to donate something but aren't able to attend the bazaar, you can get items to Elaine.

David announced that volunteers are needed for teams for the Texas Tour. Troy Walling has offered to be tour director. Kathy Hartzog has offered to be in charge of table decorations.

Paul Gross reminded us that the Gulf Coast Tour is October 14 thru 16.

David asked for a motion to close the meeting. Bob Hitchcock made the motion and Troy Walling seconded the motion. The motion passed and the meeting ended at 11:48.

Delores Ross took a moment to thank everyone for the flowers, attending George's service

# August EVENTS 2022

By: Troy Walling

## Breakfast at Dennys August 6, 2022

We had 25 members of our club meeting at Dennys.  
We even had one gentleman (In Blue) join us and asked about joining our club  
We said WELCOME

What did the Hurricane say to the Coast, I have my eye on you

# Ice Cream Social and Monthly Club Meeting

At the Spring Creek Forest Clubhouse

August 13, 2022

The Piney Wood A's held their monthly meeting and Ice Cream Social

At the Spring Creek Forest Clubhouse in Spring, Texas

David Teale and family hosted the annual event

and is a favorite location for everyone.

Thanks to Dan Kundts , Robert Bullard, and Jim Blaszczyk for taking care of the grilling  
of the hamburgers and hot dogs.

Of course, it is a collective effort by many to make it a successful event.

It was good to see new members and past members such as

Dolores Ross .

Thanks to Tammy and Perry Jones for their Era Clothing event

Tammy is dressed in her PyJamas, which was popular as beach wear in the 30's

Perry is dressed in a railroad brakeman clothing

Well Done

I am thinking about buying another Model A, what do you think?  
I think a man cannot have too many Model A cars.

## RED, WHITE, and BLUE CONTEST

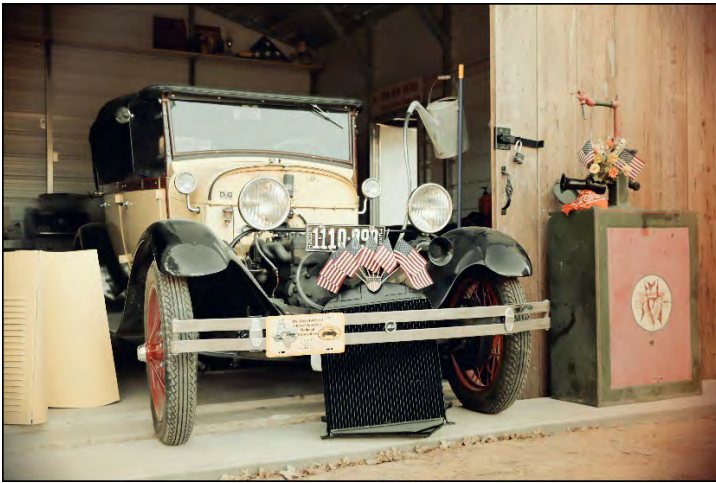

Dan Kundts was the winner of the Red White & Blue Contest

Rich Haut and Jeff Boyles had great entries

Thanks to all who participated in the event

Steven Nestle car was under repair  
but still participated

Dan Kundts car was the winner

## Letter from the President of MAFCA

It has been fun to watch MAFCA Grow this year. In April we approved the “Almost Heaven A’s” serving West Virginia and the “Southwest Model A’s” Special Interest Group in Albuquerque, New Mexico. The Southwest A’s was formed to host our 2024 National Convention. In June, we welcomed the “Oklahoma Model A Restorers Group” serving the Oklahoma City area. The process of starting a new chapter is quite easy. The basics are to bring five enthusiastic members of MAFCA together with a vision and desire to have a club. You then apply to the National Club for approval. Our Chapter Coordinator, Robert Bullard will be happy to assist you. I would like to invite you to start a chapter in your area.

There are numerous benefits to membership in MAFCA. We can all agree that the *Restorer Magazine* is one of the finest publications available. We strive to provide fresh publications to the membership. Our latest offering in the *How to Restore your Model A Series is Volume 10*. Volume 10 is a collection of the best technical articles from our *Restorer Magazine*. This book sets a new standard for the series printed in full color. I have just purchased my copy and my impression is that it is the finest MAFCA publication to date. Look for the ad in this issue for more information. Please order yours today.

Watch your mail for information about our upcoming election for the 2022-2023 Board of Directors. There will be five new directors elected. Please support the candidates that you feel will best represent you. And vote early.

I would like to thank you all for the support you have given me this year. Our board is working hard to provide you with help with your club activities and technical problems with your cars. Remember that you can join our Facebook page, Model A Ford Club of America for help from our knowledgeable membership. Ed Tolman, our Technical Director, has teamed up with Paul Shinn to provide you with another source of help. Send an email with your tech questions to [Modelatechquestions@gmail.com](mailto:Modelatechquestions@gmail.com).

As always, I am happy to help you. Please feel free to send me an email at [president@mafca.com](mailto:president@mafca.com).

— Happy Motoring, Jay McCord

# Era Fashions: Mary Jane Shoes

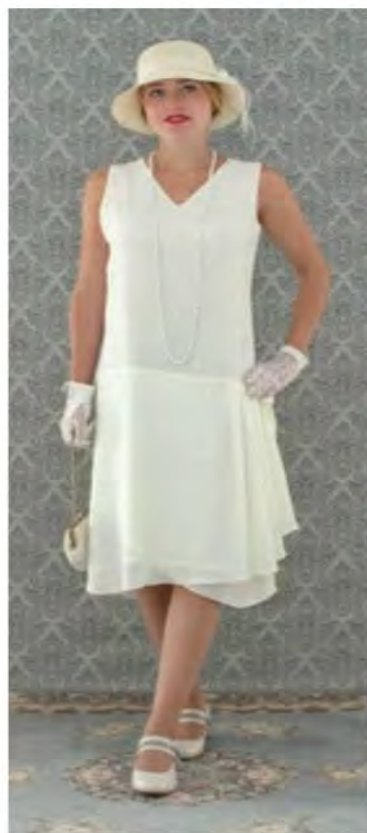

*Adapted from Tink Lynn and 'Happy Little Soles'*

The Mary Jane shoe. Where would we be without her? She's highly adaptable, perfectly practical and oh so sweet. Her trademark is the 'bar' or strap that goes over the top of the foot and was traditionally fastened with a buckle or button. Before there were 'Mary Janes', they were called 'bar' shoes and were worn by children in the late 19th and early 20th century. Surprisingly, they were worn more commonly by boys than girls.

In 1904, bar shoes became known as Mary Janes when the Brown Shoe Company of Missouri named their bar shoes after the mischievous cartoon character Buster Brown and his sweetheart Mary Jane.

Mary Jane was a character created by Richard Felton Outcault, "Father of the Sunday Comic Strip", for his comic strip Buster Brown which was first published in 1902. She was the sister of the title character Buster Brown and was drawn from real life, as she was also Outcault's daughter of the same name. In Outcault's own words—and his daughter's—she was the only character drawn from life in the Buster Brown strip, although "Mrs. Brown" did resemble Outcault's wife.

In 1904, Outcault traveled to the St. Louis World's Fair and sold licenses to up to 200 companies to use the Buster Brown and Mary Jane characters to advertise their products. Among them was the Brown Shoe Company, who realized the marketing benefits of commercially associating themselves with 'Buster Brown' and paid \$200 for the rights. They later hired actors to tour the country, performing as the Buster Brown characters in theaters and stores. This strategy helped the Brown Shoe Company become the most prominently associated brand with the Buster Brown characters. The style of shoe both Buster Brown and Mary Jane wore came to be known by her name, Mary Jane.

Mary Janes continued to be popularized throughout the 20th Century, particularly during the Model A era. They were a common pairing with the 1920's flapper dresses.

## **10 STEP GUIDE FOR THE DO-IT-YOURSELF HANDYMAN**

1. If you can't find a screwdriver, use a knife. If you break off the tip, it's an improved screwdriver.
2. Try to work alone. An audience is rarely any help.
3. Above all, if what you've done is stupid, but it works, then it isn't stupid.
4. Work in the kitchen whenever you can...many fine tools are there, its warm and dry, and you are close to the refrigerator.
5. If it's electronic, get a new one...or consult a twelve-year-old.
6. Stay simple minded: Get a new battery; replace the bulb or fuse; see if the tank is empty; try turning the switch or just paint over it.
7. Always take credit for miracles. If you dropped the alarm clock while taking it apart and it suddenly starts working, you have healed it.
8. Regardless of what people say, kicking, pounding, and throwing sometimes DOES help.
9. If something looks level, it is level.
10. If at first you don't succeed, redefine success.

*Disclaimer: Some materials printed in this magazine may be borrowed from other publications; we wish to thank other clubs for sharing their magazines with us. We are happy to share our articles for publication in other club's magazines. Where known, the sources will be included.*

## The Family Model A

Now, the first thing I recall isn't teddy bear or ball  
But I seem to see a little boy at play.  
With car parts on the ground and my father's muttered sound  
From underneath the family Model A.

I remember I was ten when he tore her down again.  
And I saw her inner secret on display.  
And later, at his side, I could sense my father's pride  
In the cackle of our family Model A.

But I was soon to learn, it was my time for a turn.  
And my father passed the tools to where I lay.  
And tried to hide his grin, when I'd lose a hunk of skin  
To the ego of the family Model A.

But I've had a pleasant life, now, with children and a wife.  
Successful, in a somewhat modest way.  
And no longer need I toil in the grimy grease and oil  
With the innards of the family Model A.

But, my friends, do not rejoice, for I never had a choice.  
And I towed one home, behind me, yesterday.  
For there's a little lad, who will need to know his dad.  
And there's nothing like the family Model A.

The Grease Pit Poet

# *Tech Tip: Lock Maintenance & More*

by David Teale

Locks are an integral part of our Model A from the ignition system to the doors to even the keeping unwanted thieves from stealing your spare tire. With all the locks on our cars, you would think that they would get regular maintenance just like everything else, but unfortunately, locks are one of the least maintained devices on our cars.

**Common Lock Issues:** 1) Failure for the tumbler to rotate with key. 2) The infamous jiggle to get things moving or to rotate. 3) Frozen locks. 4) Failure to accept a key. 5) My favorite – I locked it, but now it won't unlock.

Most of these issues are caused by two culprits: the most common is poor lubrication and the second is dirt or debris in the lock mechanism. Another problem for most outdoor locks is also corrosion due to exposure to moisture.

**Common Mistakes:** Don't reach for a can of WD-40. This is the worst thing you can put into a lock mechanism. It is not a good lubricant; it will disappear over a very short time and leave residue and contaminants. All oils, greases, and the like should be strictly avoided.

**Quick Easy Fix:** I have found that the best product for maintaining and even fixing some common lock problems is Lock-Ease. It is a graphited lock fluid specifically formulated to penetrate the lock mechanism and carry the graphite everywhere. The fluid portion also lubricates and eventually disappears without leaving harmful residue, while providing a long-lasting wearing film. It will even prevent locks from freezing in sub-zero temperatures and the film won't run in the Texas heat.

There are several versions of this product available online, but I prefer the liquid version. I have used it on all the locks on my Model A and all kinds of locks around the house. If a lock starts to act up, this is the bottle I reach for and 99% of the time, the problem is fixed immediately.

**Additional Tip:** It's a great speedometer cable lube too! It coats the entire cable from top to bottom with its fluid carrier and then leaves a thin film of graphite everywhere. This is the proper way to lubricate the cable anyway. It is also good on bicycle cabling. I have heard it is also good for fishing reels, but I have not given that a try yet.

I hope this quick Tech Tip helps with any of your lock issues and keeps everything working smoothly for many tours to come.

## Original sales flyer for the Kari-Keen trunk

I believe this box is blank because the flyer is a one, then another bi-fold mailing piece with space for a postage stamp.

Fold lines here

-Editor

*For Ford cars*—the new model Kari-Keen has been designed by four of America's best known body engineers and is a new creation of outstanding beauty—probably the handsomest and most useful additional equipment ever put on a Ford.

Facebook post by Brad Minners

The Kari-Keen Co. was a maker of automobile trunk carriers and attachments. It was the largest exclusive automobile trunk producer in the world. At the peak of operation in 1929, the company employed more than 550 men, with a weekly payroll of \$12,000 and annual sales of \$2,225,000. Sioux City, Iowa

**Kari-Keen**  
 The Baggage Car of the Auto  
 More than a Trunk

*“Now we'll all enjoy the trip!” because...*  
 with the luggage in the Kari-Keen there's comfort in the car!

*Keen for Pleasure and Storage.* Kari-Keen provides a well, roomy place for the trunk, suitcases, clothing, records, for extra storage, thermos jug, and other articles and packages. And when you get there the things are handy to reach, without climbing into and out of the car. Kari-Keen trunks are ideal for camping trips. Only a trailer holds more.

*Indulgence — you can get your things, sample cases or even big householding machines in this big carrier.*

*Mechanics — Kari-Keen* frequently saves buying a light truck for special deliveries. Loading machines, sewing machines, the like, photographs, various pieces of furniture, stoves and boxes can be conveniently and safely delivered in a Kari-Keen Kari-Keen.

*Features — your trunk is with you.*

**Gulf Coast Tour**  
**Beaumont, TX October 14-16, 2022**  
**Hosted by the Golden Triangle A's**

Greater Houston MARC and Piney Wood A's Model A Clubs,

We will be hosting the Gulf Coast Tour in Beaumont, TX October 14-16, 2022. Our goal is to make this tour as affordable and enjoyable as possible.

The host hotel will be the Holiday Inn & Suites (information below) and that is where you can pick up your registration when you arrive. The Holiday Inn will have an area sectioned off for trailer parking. Please ask when booking about the cancelation policy so you are aware just in case of enforceable sanctions on group gatherings. We reserve the right to cancel the event and refunds would be made.

Host Hotel: Holiday Inn & Suites

Mention "**GTA**" – (**Golden Triangle A's Gulf Coast Tour**) when booking the hotel for the discount.

Phone: 409-842-5995

Address: 3950 I-10 South at Walden Road, Beaumont, Texas

Price: \$99 plus tax for a King or two Queens

Each Room Includes 2 Vouchers for the Breakfast Buffet

**\*All rooms in the blocks will be released September 14 if not reserved.**

#### **Schedule of Events**

##### **Friday:**

12:00-5:30 P.M. - Registration at the Holiday Inn & Suites

6:00 – 8:30 P.M. - Welcome dinner at Spindletop-Gladys City Boomtown Museum, 5550 Jimmy Simmons Blvd, Beaumont, TX (Hwy 69/287/96 @ Jimmy Simmons Blvd on the campus of Lamar University) Maps will be provided at check-in. Bar-B-Q Brisket, potato salad, beans, tea or water, & dessert will be served.

##### **Saturday:**

8:00-9:30 A.M. - Registration at the Holiday Inn & Suites

9:00-9:30 A.M. - Leave Holiday Inn for a group tour. There will be a Poker Chip Run during the tour. (Details will be given at registration.) There will be a stop at the Texaco Oil Museum in Sour Lake and at Village Creek State Park Pavilion for lunch. Box lunches will be provided. There are picnic tables, but feel free to bring your lawn chair.

Antique license plates are just that, restored originals. They are not intended to be exact duplicates. Antique license plates have flaws; that is what adds to the "cool factor".

## **AFTER 43 YEARS LETS LOOK BACK AT SOME PWA CLUB HISTORY**

The Following Article, By Gwyn Machacek,  
Entitled "CRANKED UP IN 1977",  
Was Published In Our  
September 1995 & July 2012 Newsletter  
By Paul Lewis:

"For several years there was talk between Model A'ers about trying to form a Model A Club North of Houston and in Montgomery County. Four people said, "Let's try". Notices were posted everywhere in the Spring, Woodlands, and Conroe area telling of the first gathering to be held August 9, 1977 at the Gulf State Auditorium in Conroe. Those four people were Keith Jenkins, Buddy Moore, Larry and Gwyn Machacek.

Eight families attended the gathering and they all said, "Let's give this club a try". Officers were selected and then one of the big topics of discussion was what can we call ourselves. Suggestions such as; Conroe A's, Montgomery County Motometers, Piney Wood A's, Big Thicket A's and Rambling A's were suggested. It was suggested that a name would be picked at the September meeting. Everyone then browsed through the display of literature on the Model A that Keith Jenkins and Larry Machacek had set up.

At the second meeting the name Piney Wood Model A Ford Club (Piney Wood A's, for short) was chosen and a Newsletter's name of "The Ford Squeaks" was selected. Moreover, the club grew by 4 new members.

By the end of 1977, the newly formed club had 16 families. They were Bryant Baugus, Donald & Cindy Chrisner, John & Judy Davidson, Monte Fine, Jerry Fisher, Thomas Gilbert, Dick Hand, Keith & Marlene Jenkins, Benny Klekar, Tom & Joan Lowery, Larry & Gwyn Machacek, Donald Mog, Buddy & Sandy Moore, Guy & Betty Nightingate, Harold & Carolyn Smith, and Thomas Wilkerson.

The following year (1978) saw the club becoming a chapter of the Model A Ford Club of America (MAFCA). Years later, in 1983, the club became a region in the Model A Restorers Club (MARC). **"THE REST IS HISTORY."**

At our 35<sup>th</sup> Anniversary luncheon July 14, 2012, we all receive a souvenir print out of all the Piney Wood A's meeting minutes for 1977. The club today has far surpassed any vision our founding fathers might have had 35 years ago.

We all should be proud of that as we tack on the future years to come and, be very thankful for that meeting held on August 9, 1977 when **"Let's Give This Club A Try"** received enough "Yes" votes.

# The International Order of the Rubber Chicken

By: Dan Kundts, Chairman of the Board

**the International Order of the Rubber Chicken**  
**-Rules, Regulations and Other Silly Stuff-**

At a meeting of the International Order of the Rubber Chicken Society (IORCS), the following rules and silly things have been agreed to and enacted upon. The infamous Rubber Chicken is to be fun and full of frivolity. The purpose of these rules is to provide consistency and fairness for those persons desiring (or not) to acquire the scandalous Rubber Chicken.

**Rule #1**  
If your car causes an unscheduled stop while on tour- ~~YOU LOST THE CHICKEN~~

**Rule #2**  
If, while on tour, you delay the group from leaving on time (excepting for bringing donuts & coffee)- ~~YOU LOST THE CHICKEN~~

**Rule #3**  
If, after meeting with the group, you have a trailer (or modern car) problem, causing the others to stop alongside the road or be delayed- ~~YOU LOST THE CHICKEN~~ (aka: the Fred Rule)

**Rule #4**  
If during any tour, you call another tour member to "help, aid, assist, tow, repair or suggest what 'might be the problem'", which causes him/her to stop whatever they are doing - ~~YOU LOST THE CHICKEN~~ (Fred Rule #2)

**Rule #5** Passing the Chicken On. Procedures on how to give the chicken away

**Rule #5-a**  
To pass the chicken on to another, the current chicken holder must be on said tour.

**Rule #5-b.** While broken-down on the side of the road, it is NOT advisable to hand over, throw to or put the chicken inside the broken-down car or its owner or driver. Nor is it advisable to stand alongside any broken-down car taunting the car's owner with the chicken. It also not advisable to have a photo with you standing next to the broken vehicle giving a thumbs-up jester (Dorothy Rule). Injury for violating these Rules is at the current chicken holder's own risk.

**Rule #5-c.** It is appropriate to pass the chicken at any meal once faces have turned from red and steam is no longer venting from ears. -Or- At any chapter meeting. -Or- If the new recipient requests it (while on the side of the road).

**Rule #6**  
All chapters should name their chicken. It is most appropriate to name the chicken after a member so deserving because of the regularity or quantity of times he/she has had the honorable chicken bestowed up him/her.

**Rule #7**  
Out of respect, the Rubber Chicken shall be honorably retired once its head or both legs has fallen off.

**Rule #8**  
Each chapter should appoint a Colonel Chicken whose job shall be to determine all disputed matters. His/her word is final and not open to debate.

**Rule #9**  
Life Time Achievement Award. The Rubber Chicken shall be permanently given to he/she who run their Model A out of gas while on tour (known as the Pruett Rule of "Don't worry, I have plenty of gas". This is not debatable! Note: an appropriate rubber chicken Mardi-gras necklace may be given in lieu of the original rubber chicken.

Piney Wood Model A Ford Club  
P.O. Box 691341

"The Ford Squeaks" is the official monthly publication of the Piney Wood Model A Ford Club, Inc. This club is a local chapter of the Model A Ford Club of America (MAFCA), a region of the Model A Restorers Club (MARC). The newsletter is mailed to members, prospective members, and editors of similar publications in exchange for their newsletter. Its purpose is to provide the members with information regarding club activities, upcoming events, Model 'A' restoration and maintenance. Members may publish non-commercial ads at no cost for Model A related items: For Sale, Wanted or Trade. They are also invited to submit articles of interest or information to be published in the newsletter.

**Material must reach the Editor by the 20th of the month to insure publication in the next month's issue.** Membership dues in the Piney Wood Model 'A' Ford Club are \$25.00 per year. Annual membership is required in MAFCA. MAFCA dues are \$50.00 per year (subject to change). Membership applications are available from the Club Membership Director or from our website ([www.pineywoodmafc.com](http://www.pineywoodmafc.com)). The Piney Wood Model 'A' Club meetings are held on the 2nd Tuesday of every month (except December) at 7:00PM at the Valley Ranch Bar-B-Que & Grill Restaurant, at the corner of Spring Cypress & Tomball Parkway (FM249). Other clubs are encouraged to use articles & info from "The Ford Squeaks" as long as credit is given.
