Dear Model A Friends,

This past June has been a busy month for the PWAs. I want to thank Jim and Illona Blaszcak for hosting our offsite meeting. It was a great day for the meeting and it was wonderful to see their new home. I think I will take my car to Jim's shop for servicing once he gets all his equipment in place – Just kidding Jim.

Turnout at the National Convention was great. Piney Wood As had 14 cars at the event. If you get a chance to surf the web, check out Paul Shinn's YouTube channel postings from the event. Lots of fun with Tex Willis and other useful information. You may even see a couple of our members. Hint: Check his bloopers reel.

While you are on the web you might also check out the latest craze – cooking inside your car. Yes, you read this correctly. People are cooking inside their cars in this summer heat wave. I have seen cakes and other food items. I am new to the Model A hobby, but it reminds me of several stories our members tell about manifold cooking under the hood on their Model A.

I don't usually spend a lot of time covering upcoming events, but July 4<sup>th</sup> is approaching fast, and I wanted to remind everyone about the Independence Day Parade in the Woodlands. Ron Cherry will be sending out details soon. Remember this is a perfect opportunity to take pictures and enter our Photo Contest. You may remember the theme is Patriotic "How Red, White, and Blue are you?" Can't wait to see some of the creativity and competition. The winner will be announced at the Ice Cream Social. Good luck to everyone!

July's meeting will be on-site at Valley Ranch Tuesday, July 12<sup>th</sup> at 7 PM as usual. We will be selecting our 2023 Texas Tour venue, so don't miss this meeting. We need your input.

Happy Fourth of July Everyone!

Happy Motoring!

# PWA Meeting Minutes – June 04, 2022

## Piney Wood Model A Ford Club Minutes for June 4, 2022 Meeting Jim & Illona Blaszcak's home

President David Teale welcomed everyone to the meeting.  
Ray Barth led us in prayer and David led the club in The Pledge of Allegiance.

**President's Report:** David asked if everyone had read the May 2022 Minutes in the newsletter.  
Robert Bullard made a motion to accept the minutes.  
The motion was seconded by Rich Haut.  
The minutes were approved.

**Treasurer's Report** – Frank Delucia was not at the meeting so there was no Treasurer's Report.

Ashley Griffin talked about locations we could use for the Texas Tour 2023. He and Linda Bragaw are looking for suggestions to add to the current suggestions for a location.

Ron Cherry reminded everyone of the Red, White, and Blue Model A Photo Contest. Photos are due July 31.

**Sunshine Report** – David Teale read the names of the birthdays and anniversaries for June.

David will get the updated By-Laws onto the club website.

**Membership** – Perry Jones was not at the meeting.

**Newsletter** – Troy Walling said he would be out of town at the end of June so please take photos of the National Convention, and Assisted Living Center and send them to him.

**MARC-MAFCA-MAFFI** – Jackson Garrison was not at the meeting.

**National Report** – Jackson Garrison was not at the meeting.

**Apparel & Accessories** – Marion Hertzbach reminded everyone there are license plate toppers and grill plates with the club name on them for sale.

**Club Tool Box & SMEs** – Frank Delucia was not at the meeting.

**Library** – Dan Kundts was not at the meeting.

**MAFCA BOD Update** – Robert Bullard said the Board of Directors is working on a new budget and a reprint of the Les Andrews book. The National Awards Banquet will be held in Golden Colorado December 5-8. It's time to think of the election of the MAFCA Board of Directors for 2023. There are currently 7 people running to fill 5 spots on the board.

Robert also reported that MAFCA provides insurance for each chapter and the company MAFCA has been using will no longer provide that coverage. MAFCA is asking each chapter to make a \$70 donation to help defray the cost of the insurance.

Robert was asked if MAFCA will update the 50 years of The Restorer Magazine, but he has not heard anything about that and will check into it.

Ray Barth asked if MAFCA purchased land next to the headquarters office to be used as parking. Robert said there had been no discussion on that while he's been on the board, but all of the board meetings have been on Zoom so he hasn't physically been there to see.

**Club Events** - Vice President and Tour Director Ron Cherry reviewed the upcoming events.

**PWA June Events**

6/12-6/17 - MAFCA National Convention in Kerrville, TX

6/25 - Spring Cypress Living Center

**PWA July Events**

7/2 – Breakfast @ Lynn's Table in Olde Town Spring

7/4 – The Woodlands Parade

7/12 – Club meeting at Valley Ranch BBQ

Elaine asked members to sign up for the Hospitality Room at the National Convention if they had not already done so. She also asked members to be thinking of items they could make for the Craft Bazaar and suggested we have it again after the October breakfast. That is an offsite meeting already scheduled to be held at the Hartzog's home so we'll have to work out some details. Someone mentioned they have some car-related items they would donate if we also had a swap meet. We will have to look at that option and how to handle it. Stayed tuned!

The men's technical was on Rebuilding Shock Links.  
The ladies made clothespin magnets and notepads.

A motion to close the meeting was made by Troy Walling.  
The motion was seconded by Ray Barth.  
The motion passed and the meeting ended at 10:39.

## **MAFFI LIAISON LETTER-MAY 2022**

Model A Days, September 16-17, at Hickory Corners are rapidly approaching. If you haven't made your plans for this event yet, there is still time. You can register for the special events that will have limited participation and/or require payment of fees on the MAFFI Website ([www.maffi.org](http://www.maffi.org)) under Model A Days or the Gilmore Website under "Events"

Also, be sure to read the articles in both the May /June *MAFCA*, *The Restorer*, and *MARC Model A News*.

If you have done it all and think there is nothing at the museum that you haven't seen before, try this, Camping at the Gilmore.

There is nothing like the experience of walking around the buildings at dusk.

With very little imagination you are walking a street in Anytown, USA in 1930.

It is not crowded. A word of advice, shoot pictures from a stable position.

Your camera shutter speed will be very slow and the pictures will be blurry.

If you get it right the photos will be breathtaking in the moonlight.

*This "MAFFI Liaison Letter was sent to you as your club's MAFFI Liaison. It is our hope that you will share it at your club's monthly meeting. If you are no longer the MAFFI Liaison for your club, please notify me at the email listed below with the name and email address of the new Liaison.*

*Thank you*

## OFFICIAL CONVERSION CHART

### HOW TO INTERPRET

### ANTIQUE CAR ADS

#### IF IT SAYS:

#### IT REALLY MEANS:

Rare model.....	Nobody liked them when new either
Older restoration.....	Can't tell it's been restored
Needs engine work.....	It's been frozen for 30 years
Uses no oil.....	Just throws it out
No rust.....	Body and fenders missing
Rough.....	It's too bad to lie about
One owner.....	Never been able to sell
No time to complete.....	Can't find parts anywhere
Needs interior.....	Seats are gone
Rebuilt engine.....	Has new spark plugs
May run.....	But it never has
Low mileage.....	Third time around
Many new parts.....	Keeps breaking down
29 coats hand-rubbed paint....	Needed that much to cover rust
Clean.....	It sat out in the rain yesterday
Best offer.....	About what I expect to get
Always driven slowly.....	Won't go any faster
Prize winner.....	Hard luck trophy 3 times in a row
Stored 25 years.....	Under a tree
Real show stopper.....	Orange with purple fenders
Easy restoration.....	Parts will come off in your hand
Ready to show.....	Just washed it
Top good.....	Only leaks when it rains
Good investment.....	Can't depreciate any more

This is an old one but a good one

## Never Leave Home Without Them

By: Diann Eason Era Fashion Committee Chairperson

Gloves were considered an important article of coordinated apparel for a lady of the Model A era. Gloves were bought, made, and worn for most activities outside the home. Fashion enthusiasts have looked for the three gores stitched or applied across the back of the hand to determine the originality of a pair of gloves. The MAFCA Fashion Guidelines, 2015 edition, section 3C-1 page 27 documents the characteristics of original women's gloves. The gores were thought to be present in daytime, afternoon, evening, and even formal gloves, from 1928 through 1931.

The MAFCA Era Fashion Committee was presented with documentation; *Style Source* catalog dated 1930 with pictures and description of late afternoon and evening gloves that did not have the stitched gores. The second pair of gloves from the bottom of the page does not have the gores across the back of the hand. There are three stripes close to the cuff line of the glove.

## **AFTER 43 YEARS LETS LOOK BACK AT SOME PWA CLUB HISTORY**

The Following Article, By Gwyn Machacek,  
Entitled "CRANKED UP IN 1977",  
Was Published In Our  
September 1995 & July 2012 Newsletter  
By Paul Lewis:

"For several years there was talk between Model A'ers about trying to form a Model A Club North of Houston and in Montgomery County. Four people said, "Let's try". Notices were posted everywhere in the Spring, Woodlands, and Conroe area telling of the first gathering to be held August 9, 1977 at the Gulf State Auditorium in Conroe. Those four people were Keith Jenkins, Buddy Moore, Larry and Gwyn Machacek.

Eight families attended the gathering and they all said, "Let's give this club a try". Officers were selected and then one of the big topics of discussion was what can we call ourselves. Suggestions such as; Conroe A's, Montgomery County Motometers, Piney Wood A's, Big Thicket A's and Rambling A's were suggested. It was suggested that a name would be picked at the September meeting. Everyone then browsed through the display of literature on the Model A that Keith Jenkins and Larry Machacek had set up.

At the second meeting the name Piney Wood Model A Ford Club (Piney Wood A's, for short) was chosen and a Newsletter's name of "The Ford Squeaks" was selected. Moreover, the club grew by 4 new members.

By the end of 1977, the newly formed club had 16 families. They were Bryant Baugus, Donald & Cindy Chrisner, John & Judy Davidson, Monte Fine, Jerry Fisher, Thomas Gilbert, Dick Hand, Keith & Marlene Jenkins, Benny Klekar, Tom & Joan Lowery, Larry & Gwyn Machacek, Donald Mog, Buddy & Sandy Moore, Guy & Betty Nightingate, Harold & Carolyn Smith, and Thomas Wilkerson.

The following year (1978) saw the club becoming a chapter of the Model A Ford Club of America (MAFCA). Years later, in 1983, the club became a region in the Model A Restorers Club (MARC). **"THE REST IS HISTORY."**

At our 35<sup>th</sup> Anniversary luncheon July 14, 2012, we all receive a souvenir print out of all the Piney Wood A's meeting minutes for 1977. The club today has far surpassed any vision our founding fathers might have had 35 years ago.

We all should be proud of that as we tack on the future years to come and, be very thankful for that meeting held on August 9, 1977 when **"Let's Give This Club A Try"** received enough "Yes" votes.
