Dear Model A Friends,

July has been one heck of a month with Beryl and all of the associated power and storm-related issues. I don't think there has ever been a month in PWA history where we have canceled every event.

If you look at the picture at the top right, you will see how lucky I am. Ol'e Daisey warded off another assault on her garage. This time missing the corner of the structure by less than a foot. I hope everyone in the club was equally as lucky.

Well since everything was canceled, I was hoping that Dan would let bygones be bygones and forget that I might be one of the recipients of the coveted chicken award. Apparently, there are rumors that I held up the group for more than 15 minutes while I adjusted and fixed a short in my distributor. I am calling on the club to help ward off any of these rumors and support me in the next meeting if Dan should choose to show up. Lol.

Let's celebrate making it through July with our upcoming annual Ice Cream Social. Please check the PWA calendar for the event on August 17th starting at 11 AM. Let's have a great turnout for burgers, hot dogs, and of course ice cream! I hope to see everyone there at the event.

Also on the calendar for September: The Ladies Luncheon is scheduled for Wednesday, September 18th starting at 11:30 AM at a location TBD. I hope all the ladies can attend.

Happy Motoring!

July Events-2024

By: Troy Walling

July 8, 2024

Hurricane Beryl landed on the Texas coast Monday, July 8th early in the morning.

It arrived as Category 1 but remained at or near this strength throughout the day.

As it passed over the greater Houston area, the devastation it caused was widespread throughout the entire region.

Many trees and powerlines were down across the area affecting everyone in its path

Loss of power to the homes and businesses

Affected some people for more than 12 days

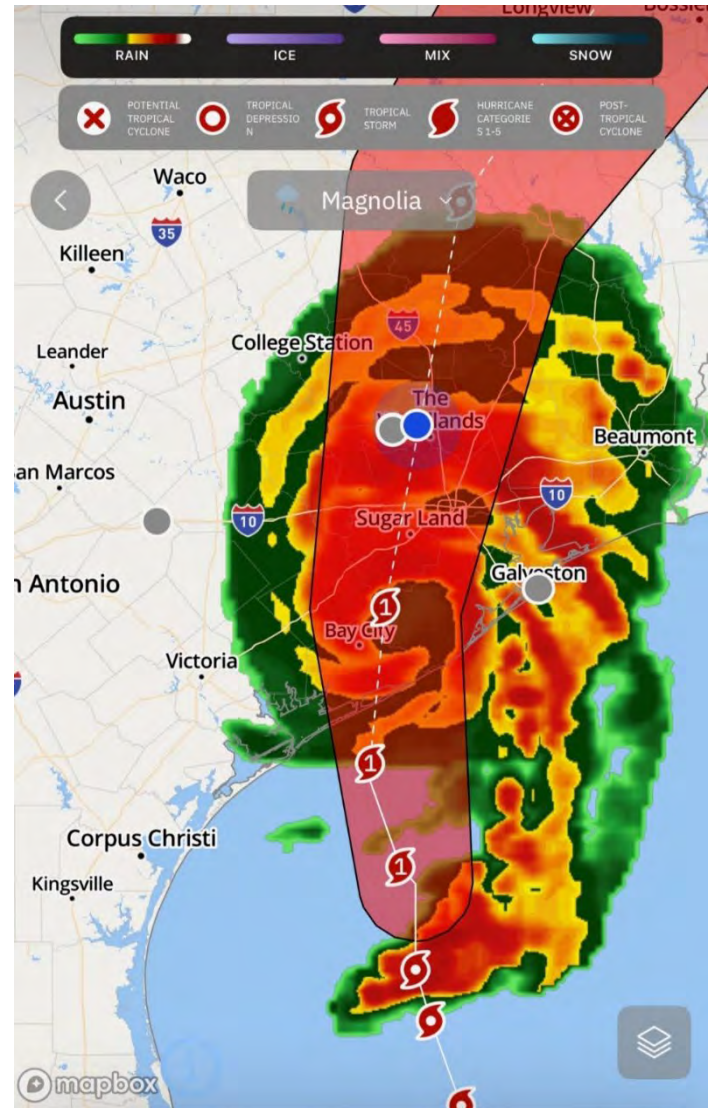

Although many had whole house generators, some failed and members had to move to friends, family, or hotels to survive the heat.

I for one underestimated the impact it would have on our area and I have been in a few.

My first hurricane was Carla in 1961, when I worked for the predecessor of today's power companies, Houston Lighting and Power. since then I have been many more

All the monthly activities such as the club meetings, Breakfast and normal activities were canceled.

Hopefully, everyone is safely returning to their normal routines

Throughout the greater Houston area, neighbors and friends helped each other out. People brought out their chainsaws, generators, etc to assist those in need.

I for one was helped by my next-door neighbors

All the Piney Wood Model A Ford Club members are known to help each other out.

Before the storm, I was a recipient as well

Jim Blaszczak, Robert Bullard, and Bill Devore came to my home, loaded up all the parts to my Model A, and transported them to a person who is putting all the pieces back together for me.

THANK YOU!!

Robert Bullard of the Piney Wood A's sedan delivery is featured as A of the Day on the MAFCA Website
We are proud of our Model A's so send in your favorite photo of your car to Mafca.

If you want to listen to the authentic sounds of the 1920's – 1940's, tune in every Monday evening To our own Jackson Garrison otherwise known as Jack Shellac

Who is this famous lady?
She was 18 years old in 1929

Answer on page 10

A Poem shared by Jim Harzog
Lamenting the end of horse-drawn carriages.

“O, horse, you are a wonderful thing; no button to push, no horn to honk; you start yourself, no clutch to slip, no spark to miss, no gears to strip,” the poem began. “No gas bills climbing up each day, stealing the joy of life away.”

Davy Crockett Tour

September 13-15, 2024

This is the weekend of the International Model A Ford Day. Let's celebrate by visiting Crockett, Texas. It is named after the famous bear hunter who died at the Alamo. He stopped here to visit with an old friend LS Gossett around January, 17th, 1836 while on his way to San Antonio.

Houston County was the first named county in Texas.

We will stay at the Holiday Inn Express located on the East loop of Crockett.
936-544-4488 Ask for the senior rate of \$129.

Make sure you send in your reservation early.

A gentleman from Nacogdoches, in Texas, informs us, that, whilst there, he dined in public with col. Crockett, who had just arrived from Tennessee. The old bear-hunter, on being toasted, made a speech to the Texians, replete with his usual dry humor. He began nearly in this style: "I am told, gentlemen, that, when a stranger, like myself, arrives among you, the first inquiry is—what brought you here? To satisfy your curiosity at once as to myself, I will tell you all about it. I was, for some years, a member of congress. In my last canvass, I told the people of my district, that, if they saw fit to re-elect me, I would serve them as faithfully as I had done; but, if not, *they might go to h—*, and *I would go to Texas*. I was beaten, gentlemen, and here I am." The roar of applause was like a thunder-burst.

July 2024

Just last month I wrote about planning my routes to Ruidoso for the 2024 MAFCA National Convention and all the good stuff I was looking forward to seeing and doing and it all came unraveled just a few days ago. The unimaginable happened, at least for me, when Ruidoso was stricken with wildfires that created an unbelievable amount of damage, disruption and loss of life. The disruption to MAFCA members and the Southwest Model A's convention committee with the cancellation of the Convention pales compared to the life and death challenges for the Ruidoso area residents. Please include them in your thoughts and prayers as they work to get their life back to normal or maybe a "new normal" considering their real-life losses. It is strange how just last month seems like a lifetime ago.

To all the Southwest Model A's Committee members that worked so long to plan, organize and prepare for the convention, I am truly sorry. You had done your best to prepare for the gathering of your fellow Model A friends and now that gathering will not happen. I know that as a group you will gather together and work on all the issues necessary to unwind this convention and in the process see if rescheduling for the future is in the cards. Good luck to you all as you work to determine and provide guidance for all the issues and questions you are currently facing.

In the aftermath of the cancelation, I have been amazed at the patience of all the registrants scheduled to attend. You all have been very supportive of the Southwest Model A SIG and the plethora of issues they are facing. I'd like to stress that patience is the key. The Convention Committee, with MAFCA in support, will provide answers to all the key questions and develop timelines for the actions that must be taken. Trust that this information will be shared as it becomes available.

Additionally, I am amazed at the support of the Model A part suppliers and their willingness to help generate funds to offset the expenses that cannot be recovered. It seems the entire Model A hobby has become a family and is rallying around MAFCA and the Southwest Model A SIG. We are truly blessed to be in the company is such a generous group of suppliers to our hobby.

As we move forward from this tragedy, the prime months for Model A touring are ahead of us. Hopefully, everyone will have a safe and productive summer. Be careful out there on the road. We are old and slow and many young drivers don't have the experience, historical perspective or patience to deal with our cars. Defensive driving can be the cure to all that fast traffic anxiety.

Travel safe and "See you down the road!"

Robert Bullard, 2024 MAFCA President

MAFFI Minute – Win Betsy

Through the generosity of Donna Lewis, former MAFCA President and MAFFI Trustee, "Betsy," a 1930 Ford Model A has been donated to help raise funds for the expansion of the beloved Model A Ford Museum. The car remains in the same condition as restored by Red Grow in the 1950s. Enjoy driving "Betsy," your newest Model A, to your next cruise-in or car show. This is a truly historical vehicle, once owned by a MAFFI Hall of Fame inductee.

"Betsy," became famous as the best Model A in the world. The Ford Model A has gathered 32 top place trophies in the 34 shows which the car was entered. That includes two national shows in 1957 and 1962. Overall, the car won 39 trophies. It is said that Red Grow's car, "Betsy," was an inspiration at the time. It drove many people to do their best in restoring their own car. This urge to do the best restoration possible, developed the need for more information about how to a better job. As a result, the Judging Standards evolved. We can thank Red Grow and the MAFCA founders for their vision.

In 1967, Red sold "Betsy" to a Ford car dealer named Dave Grubbs for \$5,000, an unheard-of price in those days. As a result, Dave Grubb placed the car in a glass cage centered in his dealer showroom. Now, you have a chance to own "Betsy" by entering a sweepstakes through our website, <https://www.maffi.org/index.htm> , or scan the QR code and receive 20% more tickets for your donation, available at checkout!

Happy Motoring,

JOYS OF GETTING OLD

(From the "Distributor" Newsletter of the Queen City Model A Club of Charlotte, North Carolina; thanks to Editor Jim Townsend)

- Kidnappers aren't very interested in you.
- In a hostage situation, you will probably be released first.
- No one expects you to run into a burning building or run at all.
- People call at 9 p.m. And ask "Did I wake you?"
- People no longer view you as a hypochondriac.
- There's nothing left to learn the hard way.
- Things you buy now won't wear out.
- You can eat dinner at 4 p.m.
- You enjoy hearing about other people's operations.
- You get into a heated argument about pension claims.
- You have a party and the neighbors don't even realize it
- You no longer think of speed limits as a challenge.
- You quit trying to hold your stomach in, no matter who walks into the room.
- You sing along with the elevator music.
- Your eyes won't get much worse.
- Your investment in health insurance is finally beginning to pay off.
- Your joints are more accurate meteorologists than the National Weather Service.
- Your secrets are safe with your friends because they can't remember them either.
- Your supply of brain cells is finally down to a manageable size.
- And, you may not remember who sent you this list.

The International Order of the Rubber Chicken

By: Dan Kundts, Chairman of the Board

The International Order of the Rubber Chicken
-Rules, Regulations and Other Silly Stuff-

At a meeting of the International Order of the Rubber Chicken Society (IORCS), the following rules and silly things have been agreed to and enacted upon. The infamous Rubber Chicken is to be fun and full of frivolity. The purpose of these rules is to provide consistency and fairness for those persons desiring (or not) to acquire the scandalous Rubber Chicken.

Rule #1
If your car causes an unscheduled stop while on tour- ~~YOU ARE THE CHICKEN~~

Rule #2
If, while on tour, you delay the group from leaving on time (excepting for bringing donuts & coffee)- ~~YOU ARE THE CHICKEN~~

Rule #3
If, after meeting with the group, you have a trailer (or modern car) problem, causing the others to stop alongside the road or be delayed- ~~YOU ARE THE CHICKEN~~ (aka: the Fred Rule)

Rule #4
If during any tour, you call another tour member to "help, aid, assist, tow, repair or suggest what 'might be the problem'", which causes him/her to stop whatever they are doing - ~~YOU ARE THE CHICKEN~~ (Fred Rule #2)

Rule #5 Passing the Chicken On. Procedures on how to give the chicken away

Rule #5-a
To pass the chicken on to another, the current chicken holder must be on said tour.

Rule #5-b. While broken-down on the side of the road, it is NOT advisable to hand over, throw to or put the chicken inside the broken-down car or its owner or driver. Nor is it advisable to stand alongside any broken-down car taunting the car's owner with the chicken. It also not advisable to have a photo with you standing next to the broken vehicle giving a thumbs-up jester (Dorothy Rule). Injury for violating these Rules is at the current chicken holder's own risk.

Rule #5-c. It is appropriate to pass the chicken at any meal once faces have turned from red and steam is no longer venting from ears. -Or- At any chapter meeting. -Or- If the new recipient requests it (while on the side of the road).

Rule #6
All chapters should name their chicken. It is most appropriate to name the chicken after a member so deserving because of the regularity or quantity of times he/she has had the honorable chicken bestowed up him/her.

Rule #7
Out of respect, the Rubber Chicken shall be honorably retired once its head or both legs has fallen off.

Rule #8
Each chapter should appoint a Colonel Chicken whose job shall be to determine all disputed matters. His/her word is final and not open to debate.

Rule #9
Life Time Achievement Award. The Rubber Chicken shall be permanently given to he/she who run their Model A out of gas while on tour (known as the Pruett Rule of "Don't worry, I have plenty of gas". This is not debatable! Note: an appropriate rubber chicken Mardi-gras necklace may be given in lieu of the original rubber chicken.
