Re; Government of Ontario participation regulations effective September 22nd 2021

IMPORTANT NOTICE:

As of September 22, 2021 all pickleball players who play indoors will need to produce proof of vaccination. Players are encouraged to ensure they have the proper paperwork before they go to an indoor site. Help your organizers out. **Remember**, they are just following the regulations. Premier Ford made the announcement September 1st 2021

Facilities used for sports and fitness activities and personal fitness training, such as gyms, fitness and recreational facilities with the exception of youth recreational sport;
