"MAKE THE FARM YOUR HOME FOR GOLF"

Long regarded as one of the most enjoyable greater Knoxville golf courses, Egwani Farms Golf Course offers an ideal blend of challenge, play ability, nuance and strategy. Prior to the course being built in 1991, Egwani was used as farming land. The name Egwani derives from Native American culture which means "little river". Due to the fact that the river runs along side the golf course and can be seen from at least 7 holes from the golf course.

Egwani would love to make the farm your home for golf!
