

INSTRUCTIONS: Please print this form for use at inspections and fill out the form as completely as possible for EACH structure. If you have an Eagleview or other diagram, and/or photos, please send those as well. *Quantities for SQ/SF/LF may be omitted if they can be taken from diagrams or other reports you send to us.* There is also space on the back for special requests/notes. You can also use any blank space for notes. The more information you include, the more accurately we can write your estimate.

TIPS: If the quantity is for an entire elevation, wall, gutter run, deck, etc... you can use the shortcuts below.

W = SF of all elevation walls, E: LF of all elevation eaves, R: LF of all elevation rake edges, F: SF of entire floor area (for decks)
