The screenshot shows the homepage of the Society of Filipino Foresters, Inc. (SFFI). At the top left is the SFFI logo. The navigation menu includes "Home", "About", "SFM", and "Programs & Project". The main header features the organization's name in large white text: "Society of Filipino Foresters, Inc." Below this is the tagline: "Committed Forestry Professionals in Advancing Sustainable Forest Management". The background of the header is a dark image of a forest with sunlight filtering through the trees. Below the header is a light green section containing a paragraph of text: "The SFFI is an independent, democratic, non-profit, non-political, and non-partisan professional organization incorporated under the laws of the Republic of the Philippines." To the right of this text is a photograph of a large group of people, likely members or staff, posing for a group photo. At the bottom of the page, there is a banner for the "SOCIETY OF FILIPINO FORESTERS, INC. 50th Anniversary and National Convention" and the text "SFFI's VISION".

2. Ongoing implementation of our Project with FAO, on our Advocacy for the enactment of the SFM Bill

Advocacy Towards the Passage of the PSFM Bill

Project Description

The Project advocates for the passage of the sustainable forest management (SFM) bill by the Congress that seeks to amend the 42-year old Presidential Decree 705 enacted on May 19, 1972, otherwise known as the Revised Forestry Code of the Philippines. In this context, SFM is designed to promote the sustainable use of forestlands through the wise utilization of forestlands and its resources.

SFFI has been working closely with the House representatives' Committee on Natural Resources in the review and evaluation of the various versions of the sustainable forest management (SFM) Bills that have been filed by various legislators since the mid-90s. According to
