To whom it may concern:

I would like to thank you for taking the time to read this on behalf of the 66 For The 22.

The 66ForThe22.org® is a 501(c) 19 organization that is largely comprised of combat veterans, veterans and families who have been affected by veteran suicide.

The "66 For The 22" ride was established and is geared towards raising donations and awareness for veteran suicide and mental health.

Although the number has dropped to 16.5 each day, 22 is synonymous with and has become a symbol for veteran suicide. However, 1 is too many...

66 For The 22 was created as a cross country ride, to raise awareness for veteran suicide and is a ride that stretches along what is probably the most famous road in the world. Historic Route 66 spans over 2,400 miles and crosses 8 states, starting in Chicago, Illinois and terminating at the Pacific Coast in Santa Monica, California.

Our goal is to have 22 riders, all who have lost brothers or sisters to veteran suicide. We will be riding across country to raise awareness and donations to support veterans' mental health and programs that will help veterans cope with PTSD and other issues, resulting from their experiences in combat.

The support we are asking for will benefit these Veterans and other Non-Profit Organizations that share our passion and respect for our Veterans and their families.

Thank you for your consideration.

Sincerely,

Anthony F. Benavidez
