## CHRISTMAS GOODWILL MESSAGE TO ALL PARISHIONERS

Christmas is the most blessed time in our faith journey but it does not come without its demands and tolls on us especially in families. Despite all the hustle and bustle of this time, we constantly hear our God calling us to peace and joy!

As we worry about our church and rectory's mold infestation, we know that God's plan for us is His Peace!

Christmas is filled with the theme of light and darkness. We recall the Star of Bethlehem and the Magi, the Wise Men, those seers and seekers who came to honor the Source of all Wisdom and Light. So, we know that we are not alone!

Christmas is celebrated at this time of the year when darkness fills most of the day. And no amount of darkness or worry or lack or deterioration of our rectory and the challenges it poses on us would blind us to the birth of Jesus, the Light of the World, the Light for the world that comes down to us from God in heaven.

Like Joseph and Mary we truly trust God since God is our hope, peace and fulfilment. This song of trust is far more meaningful than any anthem of hopelessness. This is the quiet harmony of those who believe in the saving power of God, Emmanuel – God is with-us and Jesus, God-saves!

Fr Cyprian, Dcn Jan, Mary Helen, and I wish you all, a very Merry Christmas and a Blessings on your families in the New Year, 2025!!!
