MUHEEM

Ek Sarthak Prayas

“One child, one teacher, one pen, and one book can change the world” -Malala Yousafzai

This year 2021 has been very difficult for all of us. But you keep your love and support with us which gave new heights to Muheem's grassroots work with marginalised community. We want to take some moment to acknowledge your love and support to share some moment of our annual journey with you. We are sharing with you our yearly newsletter to share our effort towards social change.

GRAM SAKHI FELLOWSHIP PROGRAM

Feb, 2021 we have started Gram Sakhi fellowship program to strengthen rural women leadership skill. Six rural women get selected for this fellowship program. And from these six fellows two fellow become a part of our team.

SUI DHAGA CENTER

In March, 2021 we have started livelihood based skill development program's center in Gaharpur village (Arajiline Block, Varanasi). More than twenty five under-resourced rural women taking part in this program. This program has been supported by Chances 4 Children India.

PATHSHALA CENTER IN TENDUI & CHITRASENPUR VILLAGE

This year we have started Pathshala center in Tendui and Chitrasenpur village (Sewapuri Block). With under-resourced Mushar (Dalit) children this center has been started. This program has been supported by Benaras School Foundation.

COVID-19 RELIEF WORK DURING SECOND WAVE

During Second wave of Covid-19, Muheem has started relief work in rural areas. We have distributed more than 1500 relief kit among under-resourced rural families in different village of Sewapuri and Arajiline block, Varanasi.

SHIKSHA KENDRA IN TENDUI VILLAGE

We have started Shiksha Kendra center in Tendui village to help under-resourced rural children in there education through provide them coaching center and free library. This program has been supported by Benaras School Foundation.

WOMEN SELF HELP GROUP IN BASUHAN VILLAGE

In Baushan village's Mushar basti, Pathshala program was started and now not only children of this community but there mothers has started women self help group to promote money saving and become economically independent.

Pad Hand Campaign

With the collaboration of Radio City Varanasi, this campaign was started in more than ten villages to promote menstrual hygiene practices in rural areas.

LEADING GIRL PROGRAM

This year we continued our rural girl's leadership training program 'Leading Girl'. In two different village Amini and Deipur this program was organised with 35 rural girls.

SAHAJ : PERSON WITH DISABILITY

This year we have started a new program to promote awareness about disability and community based rehabilitation program for person with disability.

WOMEN LITRARCY

We have started Dalit women literacy program especially for Mushar community women.

16 DAYS ACTIVISM

With the collaboration of Feminist organisation group 'Ibtida' we have organised 16 Days Activism program at large level in different villages.
