STATS: Took in 74 dogs and 149 cats and 132 kittens and 4 pigs the first year.

## New Business:

- One year anniversary. Pat asked: do we continue? Unanimously yes. The first year is tough...we are on the road now with most of the hard part behind us.

- Possible of \$2,000 or more grant from the Skyline Casino in Las Vegas – Connie has connection.
- Possible Maddie's Fund grant available – Pat will provide documents to them. It will not be for community spay and neuter but will go towards fostering and NFASI spays and neuters.
- Pat would like to hold a thank you event for all the volunteers and people who have helped in any way.
- 

## Ongoing Discussion Items:

- Ways to find more and reliable volunteers.
- Research of grants that can be submitted. Pat has several possibilities.
- Lisa Schuette would like to schedule another community group.
- Pat will contact Humane Society in Reno to set up transfers again.
- Social media needs a boost. NFASI needs to have a designated social media person.

## Committee Reports:

- Education – Discussion tabled until next meeting.

## Financial Report

- \$9,000 coming in from Maddie's Fund. All but \$2,000 has been pre-spent.
- NFASI needs to hold adoption events every month to clear out inventory and raise money.
