

Uncle Ian's

Safety Data Sheet – Mole and Gopher Repellent

1. Identification of The Substance / Mixture and The Company

Product Name	Uncle Ian's Mole & Gopher, Deer, Rabbit and Squirrel Repellent
Other Names and Synonyms	Uncle Ian's Mole & Gopher Repellent
Company Name, Address & Phone Number	Ian Enterprises 25918 234 th Avenue S.E. Maple Valley, WA 98038 (425) 518-1660
Emergency Phone Number(s)	(425) 518-1660
Email Address	ianenterprises@comcast.net

2. Hazards Identification

EMERGENCY OVERVIEW	Blackish red powder that can irritate skin and eyes.
Regulatory Status	Hazardous
OSHA Classification	Skin corrosion/irritation 2 Eye corrosion/irritation 2A Specific target organ toxicity-single exposure 3
Note: Label text that used is determined by FIFRA regulations under EPA.	
OSHA Signal Word	WARNING
OSHA Hazard Statements	Causes eye irritation. Causes skin irritation. May cause respiratory irritation
OSHA Precautionary Statements	Wash thoroughly after handling. Wear protective gloves and goggles. Avoid breathing dust. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. If on skin, wash with plenty of water. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash it before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing.
OSHA Labeling Symbols	
% unknown toxicity	100% Natural products which are estimated to be not toxic by ingredient suppliers

Potential Health Hazards

Skin	Can cause irritation.
Eye	Can cause irritation.
Ingestion	May upset stomach.
Inhalation	Dust may cause irritation.
Chronic Hazards	None
Medical Conditions Aggravated by Exposure	Prior irritation of skin or eyes may increase effects of product.

Uncle Ian's

Safety Data Sheet – Mole and Gopher Repellent

Potential Environmental Hazards

Water	May be toxic
Soil	Irritant to wildlife

3. Composition / Information on Ingredients

Ingredient	CAS #	Weight %
Blood Meal (dried blood)	68911-49-9	89
Dried Red Pepper	Not found	11

4. First Aid Measures

Skin	Wash with water to address irritation. Seek medical care if irritation persists. Was contaminated clothing before reuse.
Eyes	Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical care.
Ingestion	Call a poison control center if stomach distress persists.
Inhalation	Remove person to fresh air and keep comfortable for breathing.
Notes to Physician	Treat symptomatically.

5. Fire-fighting Measures

Suitable Extinguishing Media	Water for, dry chemical, foam or carbon dioxide.
Unsuitable Extinguishing Media	Solid stream of water
Product of Combustion	Carbon monoxide and carbon dioxide
Protection of Firefighters	Wear 'turn out' gear and self-contained positive pressure breathing apparatus. Avoid creating dust cloud which could ignite explosively.
Fire Data (e.g. flash point)	This information is found in Section 9.

6. Accidental Release Measures

Personal Precautions	Wear proper personal protection equipment as indicated in Section 8.
Environmental Precautions	Do not allow product to enter sewers or waterway. Do not dispose off on ground.
Methods of Clean-Up	Sweep up and place into container for use of disposal.

7. Handling and Storage

Handling	Wear proper personal protective equipment as indicated in Section 8. Wash thoroughly after handling and before eating or drinking.
Storage	Store in a cool, dry place. (Away from flammable materials or sources of ignition). Keep containers closed during storage.

Safety Data Sheet – Mole and Gopher Repellent

8. Exposure Control / Personal Protection.

Ventilation	In the absence of specific exposure recommendations, use general ventilation for work areas and local ventilation for powder transfer points.
--------------------	---

Exposure Limits

Ingredient	OSHA PEL	ACGIH TLV	Other Exposure Value
Dust: No U.S. exposure limits	---	---	---

Personal Protective Equipment:

Skin	Work gloves
Eyes & Face	Goggles recommended.
Respiratory	Not required for adequately ventilated areas. Dust mask useful for outs
Other	Source of running water to rinse skin or eyes in emergency.

The use of adequate ventilation and mechanical controls must always take priority over the use of personal protection equipment.

9. Physical and chemical properties

Appearance	Blackish red with red specs
Odor	Strong odor
Odor threshold	Not determined
pH	Not applicable
Melting point/freezing point	Not determined
Initial boiling point and range	Not determined
Flash point	Not determined
Evaporation rate	Not applicable
Flammability (solid, gas)	Not determined
Upper/lower flammability limits	Not determined
Vapor pressure	Not applicable
Vapor density	Not applicable
Relative density (specific gravity)	Not determined
Solubility	Soluble in water
Octanol/water partition coefficient	Not determined
Auto-ignition temperature	Not determined
Decomposition temperature	Not determined
Viscosity	Not applicable

10. Stability and reactivity

Stability	Product is stable
Conditions to Avoid	Hot, wet environments.
Incompatible Materials	Strong oxidizing agents
Hazardous Decomposition Products	Carbon monoxide, carbon dioxide

Safety Data Sheet – Mole and Gopher Repellent

Hazardous Reaction Potential	If dusts are created they may ignite explosively
------------------------------	--

11. Toxicological information

Acute Effects	Can irritate skin, eyes and throat. Not considered toxic.
Chronic Effects	None

12. Ecological information

Ecotoxicity	May be toxic to fish
Persistence/Degradability	Data not developed. Product expected to degrade with time.
Bioaccumulation	Avoid contamination of soils
Mobility in Environment	Data not developed.
Other Adverse Effects	No data.

13. Disposal consideration

RCRA Hazardous Waste if Discarded?	No	If yes, RCRA ID Number:
Disposal Methods	Use local solid waste facility.	

Unless specifically indicated, this information applies only to the product as shipped.

14. Transport information

Rail and Truck Shipments	Not regulated
DOT Shipping Name:	Not applicable
DOT ID Number	Not applicable
DOT Hazard Class & Packing Group	Not applicable
DOT Shipping Label	Not applicable
TDG Shipments	Not regulated
TDG Shipping Name:	Not applicable
TDG ID Number	Not applicable
TDG DOT Hazard Class & Packing Group	Not applicable
TDG Shipping Label	Not applicable
Water Shipments	Not regulated
IMO Shipping Name:	Not applicable
IMO ID Number	Not applicable
IMO DOT Hazard Class & Packing Group	Not applicable
IMO Shipping Label	Not applicable
IMO EMS	Not applicable
Air Shipments	Not regulated
IATA Shipping Name:	Not applicable
IATA ID Number	Not applicable
IATA DOT Hazard Class & Packing Group	Not applicable
IATA Shipping Label	Not applicable
IATA Packing Instructions	Not applicable

Safety Data Sheet – Mole and Gopher Repellent

15. Regulatory information

His product is consider to be a 25(b) minimal risk pesticide under FIFRA rules.		
Chemical Inventories	TSCA: United States DSL: Canada EINECS: European Union ECL: Korea PICCS: Philippines ENCS: Japan AICS: Australia IECS: China	Natural products are automatically added to chemical inventories in the U.S. and many other industrialized countries.
TSCA Regulatory Issues	None	

SARA 311/312 Status	Skin corrosion/irritation 2 Eye corrosion/irritation 2A Specific target organ toxicity-single exposure 3
----------------------------	--

SARA 313 Ingredients	Maximum Weight %	Comment
None	---	---

CERCLA Ingredients	RQ	TPQ
None	---	---

RQ = Reportable Quantity TPQ = Threshold Planning Quantity

WHMIS Classification	Hazardous: Skin corrosion/irritation 2 Eye corrosion/irritation 2A Specific target organ toxicity-single exposure 3
-----------------------------	--

State Right-to-Know	Concentration in product	Status
No additional materials	---	---

Ingredients and impurities may be listed that are not shown in Section 3.

16. Other information

Current Issue Date	May 5, 2021
Previous Issue Date	Not determined
Prepared by	Technical Department
Changes Made from Previous Issue	Complete revision of format.

HMIS Rating (HMIS III)	Health 1	Flammability 3	Physical Hazard 0	Other
NFPA 704 Rating	Health 1	Flammability 3	Instability 0	Other

0 = Minimal Hazard 1 = Slight Hazard 2 = Moderate Hazard 3 = Severe Hazard 4 = Extreme Hazard
