Early voting begins Sept 2–13 | Democratic Primary on September 15

Rob Bahnsen is running for State Representative to ensure that, in Delaware,

## A new kind of Democrat for District 12

**No corporate money. No PAC money. No lobbyists.** Just a doctor trying to fulfill his oath to protect the people he loves.

As a physician, Dr. Rob provides psychiatric care to our most vulnerable neighbors. But the tools he has as a doctor are no longer enough to heal our community.

For too long, Delaware has been the First State for corporations, but 37th for education and 44th for employment. Dr. Rob is running to change that—to demand a new, equitable, transparent Delaware Way of doing things.

It's a time to acknowledge those who had to hide who they are, and remember those who died for living their truth.
