A Church Called More

Spiritual Practice:

Sabbath

"I know a lot of people...are going through something. You turn on the TV and you see the news and you see all the injustices going on in the world and you see all the bad stuff going on and it just feels feels depressing and hopeless. Everyone is being shaped by something. You're being disciplined by someone or something, and you have been for your entire life. Every single one of us is shaped by things. Whether it's your Tik Tok algorithm, whether it's your politics...you're being shaped by something. What I see in the world is that we're being shaped in polar opposites. Where there's no middle ground. And it breeds this contention and frustration and this fight.

I don't know what the answer is.

The only way I know how to be transformed is to **set aside time every day to encounter the living God** in some way, to be disciplined by the Holy Spirit, to interact with God and let him shape my heart. *Because we have to become people that think like Jesus, people that see the world like Jesus and be people that value other people the way that Jesus values people."*

When we feel that there is unrest, we must look to God as an example and for ways to commune with him.

As Pastor Tanner said on Sunday, "God is weaving rest into the rhythm of creation" when he commands us to observe the Sabbath.

And don't we ALL need rest?

Find Tanner's whole sermon on the SABBATH on our website or our YouTube channel.

How timely that Pastor Tanner talked about the Sabbath on Sunday, and in **children's church the kids talked about the 10 commandments.** The **Sabbath was a big part of that discussion.** Lol, Parents, if your kids were telling you to relax on Sunday, now you know why!

On **Wednesday nights**, we keep things light with the kids. It's a time for them to spend time with their friends and teachers and talk about the week. A small activity is part of the evening, along with dinner and their **weekly Bible verse.** Each week we have a new verse to memorize. If they can return to church the following Sunday or Wednesday with the verse memorized, they get to choose a prize from the prize cabinet. This last Sunday one of the kiddos who memorized the verse chose a packet of glow-in-the-dark tattoos. He was kind enough to share his prize with all the other kids. Jennifer Martin was helping in class that day and she was assigned as "tattoo artist." In Kid's church that means the person who holds the wet towel on their arms to transfer the design 😊 Glowing lightning bolts and rainbows are a simple pleasure!

Our memory verse this week: Colossians 3:20 "Children, obey your parents in everything, for this pleases the Lord."
