Dear Mr Kuppusamy

Application for Scholarship

Congratulations, the University of Western Sydney is pleased to offer you the Endeavour International Postgraduate Research Scholarship. An offer of a scholarship represents outstanding academic achievement.

Scholarship Endeavour International Postgraduate Research Scholarship

Please see the enclosed Conditions of Award and Acceptance Form for details

You must commence the scholarship no later than 31 March 2008, unless approval has been granted to defer commencement of your studies until Spring session 2008. You should discuss the commencement date with your supervisory panel (contact details are on the attached Record of Candidature)

Acceptance To accept this offer you must return the following scholarship documents within 14 days of receiving this letter:

1. Scholarship Acceptance Form
2. Bank Details Form
3. Signed Conditions of Award (two copies)

The conditions of this offer can only be varied in extenuating circumstances. Please email Tracy Mills if you have queries about the conditions: t.mills@uws.edu.au.

Enrolment Full time

An offer of admission is attached, including information about how to enrol.

Higher degree research candidates enrol in two sessions per year. You will enrol in both sessions at the beginning of each year. You can make approved changes to your enrolment before the census date of each session (first session 31 March, second session 31 August)

Deferment of the commencement date is only possible in extenuating circumstances

Other
Information

You are invited to visit the following web site for more information on research higher degree education at UWS:

<http://www.uws.edu.au/about/adminorg/devint/ors/degrees/current>

UWS Research Candidate Orientation will be held on 4th March 2008.
Information will be sent to you in the new year

This offer supersedes any previous offer of a higher degree research scholarship made by UWS. The University reserves the right to vary the terms and conditions of this offer.

Yours sincerely

Tracy Mills
Research Scholarships Development Officer
