Dean, Faculty of Business & Technology
University of Cyberjaya, Selangor.

Dear Professor Dr. Mudiarasan Kuppusamy,

Research Project Grant – Faculty of Business & Technology

Pursuant to our discussion, please be informed that your request for a research collaboration and funding is approved for distribution for the project **“Modeling the optimal framework for blockchain technology adoption by Bangladesh capital market players.”**

The fund of RM30,000 will be made available from March 2021 in accordance to the given research timeline. As per our discussion, progressive discussions and updates are anticipated. The final outcomes of a white paper and academic publication will bear both the university and our company's recognition.

All the best.

Yours sincerely,

asb
