The viva will be for a duration of around 3 hours and will comprise an oral presentation by the student (usually around 30-45 minutes) followed by a question and answer session led by yourself of around 45 minutes to one hour with an appropriate break between the two constituent parts. The external Viva will be attended by a member of our postgraduate center team as an observer.

Following the External Viva the student will affect any necessary changes to the thesis and you will then assess the resubmitted piece of work.

Only if the changes required of the student are deemed to be extensive will a second External Viva be required.

Terms & Conditions of Appointment

1. You are required to read and assess the thesis in question, attend and conduct the External Viva as described above and compile and submit a report on the thesis together with your mark using the relevant University report pro forma.
2. You must comply with any policies of confidentiality and data protection provided to you by the University.
3. The role of the External Examiner is to consider where the information, arguments and results of the candidate's research work as presented in the thesis and as defended in the viva voce examination meet the MQA requirements and also the academic standards laid down by the University relevant to the degree.
4. The External Examiner is required to submit an independent report on the thesis including a report on the external viva and a recommendation regarding the award of the degree.
5. You must submit your Examiner's Report no later than THREE (3) months from the date of this letter. The report must be submitted together with the marked thesis. Please send a soft copy of your report to Dr. Qiao Li qiao.li@limkokwing.edu.my .
