Date: 23 October 2014

From: Research Committee Secretary

Subject: **Research Grant for FHE-UPM-0410-2014**

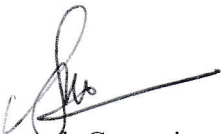

Dear Dr Puvaneswaran Kunasekaran and Associate Professor Dr. Mudiarasan Kuppusamy (APU)

The Faculty of Human Ecology of Universiti Putra Malaysia supports your research project entitled "Human Behaviour and Environment Protection" and has allocated **RM250,000.00** towards the project. In making the allocation, the Research Committee assumes that this amount of funds will be fully expended by the end of the project duration, in accordance with your project plan. If the amount of funding is insufficient for the completion of the project, please advise in writing to the Research Committee.

You are requested to submit progress report in June and December summarizing the outcomes and accounting for the expenditure of the grant. All purchases must be made by quotations. Please ensure your project number FHE-UPM-0410-2014 clearly indicated on all purchase requested. All variations will need to be justified and approved by the Research Committee.

The Committee wishes you every success with your project.

Yours sincerely,

Research Committee Secretary
