

Sunny Bleau

AND THE MOONS

Bag of Tracks is a unique collection of nine singles recorded by Sunny Bleau and the Moons. Some songs were produced for specific projects (I.E.: HBO Films or Sports Media) while others were studio works that didn't fit neatly into other albums. Hence the album title "Bag of Tracks." Some of these songs were released as singles, while others are making their debut on this collection. **Bag of Tracks** crosses many blues genres including Blues, Blues-Rock, Blues-Country, Pop-Blues, Acoustic Blues and even Holiday Blues) **Bag of Tracks** delivers the blues and Sunny Bleau and her Producer, Guitarist, composition partner, Nicholas A. Cocco in many forms.
